Re: Illinois Freedom of Information Act Request

Dear Matt Vanover and/or Gayle Johnson:

I hereby request that the Illinois State Board of Education produce the following public records pursuant to the provisions of the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq.:

1) "Salary and benefit survey. For each school year commencing on or after January 1, 1992, the State Board of Education shall conduct, in each school district, a school district salary and benefits survey covering the district's certificated and educational support personnel." The Illinois Policy Institute has received the studies for the years 2003-2011. We request the salary studies from 1992-2002.

Please produce the requested record(s) to the e-mail address, fax number, or address listed below within five (5) working days of your receipt of this request. If the requested record cannot be produced within five (5) working days, please immediately notify me of the reason(s) for the delay and the date by which the requested record will be available.

If you do not understand this request, or any portion thereof, or if you feel you require clarification of this request, or any portion thereof, please contact me.

Thank you for your attention to this matter.

Sincerely,

Michael Wille
