Dear Mr. Wancket,

St. Louis District Dairy Council is a nonprofit nutrition education organization. We would like to provide a poster to schools serving breakfast to help promote the program. To accomplish this, we would like to request the following information under the Freedom of Information Act.

We would like the following information provided in excel format.

All Illinois schools participating in the school breakfast program, including the name of the food service director/purchaser, school district name, school name, school address, email address for director, phone number, county.

If numbers are available, we would also like to request the average daily number of students in each school that eat school breakfast.

Thank you for your assistance.

Sincerely,

Joyce Fikri
