Records Request

Dear Records Request Officer:

Pursuant to the state open records act, I request access to and copies of all emails sent to and by Sam Block during the years of 2005-2009. These emails were sent over Deerfield High School’s network, to which former students, such as myself, no longer have access. This falls under the school records category. Deerfield High School is in District 113.

As a journalism student at Northwestern University, I am pursuing this information as part of an investigative story on high school education.

Filing a FOIA is part of a class assignment and we are not allowed to spend any money on it, so please limit my fee to $0.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Thank you for your assistance.

Sincerely,

Samuel Block
