Dear Matt Vanover and/or Amanda Simhauser:

The following records are respectfully requested under the Freedom of Information Act:

1) Copies of all Certification Statements (online form that is posted on IPCRB's website) that have been completed and submitted to ISBE along with budgeted and/or actual data during the last seven years. (I just need the certification statements.)

2) Copies of all ISBE/iPCRB emails that reference the Certification Statement from the last seven years.

3) Copies of all ISBE/iPCRB emails to and from Soaring Eagle Academy, Inc., since February 2, 2013.

4) Copies of all ISBE/iPCRB emails referencing Soaring Eagle Academy, Inc., ("SEA") since February 2, 2013.

The purpose of items 1 and 2 above is to gather and evaluate the documents prior to the next IPCRB meeting (May 7, 2013), where the IPCRB will discuss the issue of attested cost reports during unfinished/pending business.

Respectfully submitted,

Michael J. Novak
