Rella Peeler  
Head of New Therapeutic Schools  
Camelot  

Dear Ms. Peeler:  

This letter is in response to your request for information under the Freedom of Information Act. Your request was received on April 16, 2013.  

You have requested “how many students in each of Illinois’ school districts are placed in nonpublic schools and to which nonpublic schools that the individual students are placed. I would like the number of students that are placed in each individual therapeutic day school, not just the names of the schools that the district utilizes.”  

The attached document (13-307-peeler-doc.xlsx) provides the Funding and Child Tracking System (FACTS) data from the 2011-2012 school year by resident district with the number of special education students attending each approved private day facility.  

Please note that pursuant to 5 ILCS 140/7 (1) (a), cell sizes of less than 10 have been redacted. Even in the absence of disclosing student names, small group sizes could reveal student identities.  

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhauser@isbe.net.  

Sincerely,  

Matt Vanover  
Director of Public Information
