Regarding the Test of Academic Proficiency (TAP), the data on the ISBE website has not been updated since December 2012. Therefore, I am therefore a FOIA request for the following data:

- Numbers of all TAP test takers, by race and ethnicity, from January 1, 2013 – March 31, 2013 or April 15, 2013, if possible
- Numbers of all TAP test takers who have passed all four sub-tests, by race and ethnicity, from January 1, 2013 – March 31, 2013 or April 15, 2013, if possible
- Numbers of all TAP test takers, by race and ethnicity, who passed 1) reading comprehension; 2) language arts; 3) math; 4) writing, from January 1, 2013 – March 31, 2013 or April 15, 2013, if possible
- Reports on each of the three categories requested above, posted to the website every month, beginning in April 2013 and every month thereafter

Thank you very much. I appreciate it.

Sincerely,

Anne Hallett, Director
