Katherine Iwanik

Dear Ms. Iwanik:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Feb. 28, 2013.

You have requested “documents relating to the special education and school psychologist budgets and salaries of the Ravenswood Ridge Chicago Public School Network and Pilsen-Little Village Chicago Public School Network from 2008-2009 school year to the 2012-2013 school year.”

Salary information for special education teachers and psychologists by district and school is available through Teacher Service Record data posted on our website at http://www.isbe.net/research/htmls/teacher_service_record.htm.

The most recent data available is for the 2011-2012 school year. Click on the “Full Public Data Set” spreadsheet and note the following columns:

- Column C – district name
- Column J – school name
- Columns P & Q – individual’s last and first name
- Column AB – salary
- Column AP – position description

Column AP may be sorted to isolate special education teachers and psychologists.

Our agency does not collect special education and school psychologist budgets for the Chicago Public Schools networks you seek. We recommend that you contact CPS.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Marcilene Dutton
Deputy General Counsel
