Dear FOIA Officer:

Under the Freedom of Information Act I request a copy of the Quincy Public School District No. 172's Amended 2011-2012 Budget.

Be sure to send me the correct budget. Last year the District submitted the wrong budget to the ISBE. The correct Amended 2011-2012 Budget will have the following amendments to the Education Fund on page 4, Summary of Cash Transactions:

Line 6, Acct. # 411 - a $500,000 interfund loan from the working cash fund.

Line 8, Acct. # 433 - amended from $2 million to $50,000.

Line 9, Acct. # 199 - amended from $4 million to $0

Line 17, Acct. # 433 - amended from $2 million to $4 million.

Line 18, Acct. # 199 - amended from $4 million to $0

If the District sent you an "incorrect" copy of the Amended 2011-2012 budget, under the FOIA I request a copy of that incorrect amended budget, too.

Respectfully submitted,

Daniel Batean
