Dear Ms. Hallock:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on July 23, 2012.

You have requested “any list or report that matches the State RCDTS identification number (Region, County, District, Type, and School) to the national NCES ID (National Center for Educational Statistics) for Individual Schools, particularly Non-Public schools.”

Per your conversation with ISBE’s Amanda Simhauser, our agency cannot provide the NCES ID numbers for nonpublic schools.

The attached document (13-026-Hallock-doc.xls) is provided in response to your request. The spreadsheet includes entities serving any of grades 6-12.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover  
Director of Public Information
