Dear Ms. [Redacted]

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on June 21, 2013.

On June 28, our agency requested a five-day extension until July 8.

You have requested the following information:

Request 1: All documents, records and/or communication to/from C.U.S.D. 303 of any due process requests within the last three years.

Response 1: Per your phone conversation with ISBE’s Amanda Simhauser on June 28, you agreed to narrow the scope of your request to a list that provides the date, the issues and outcomes without revealing student information. The attached document, 13-387 [Redacted] doc1.pdf, is provided in response to this request.

Request 2: All documents, records and/or communication to/from C.U.S.D. 303 of any complaints filed against the school district with the ISBE within the last five years.

Response 2: The attached document, 13-387 [Redacted] doc2.pdf, is provided in response to this request. Pursuant to 5 ILCS 140/7 (1) (a), Individualized Education Programs for students have been withheld and information that could potentially identify individual students has been redacted.

In the event you believe that you have been denied your request for public records, you may file an appeal with the Office of the Attorney General’s Public Access Counselor at 500 S. Second St., Springfield, IL 62706 or publicaccess@atg.state.il.us.

Request 3: Please provide the number of requests (separated by years) for due process hearings for C.U.S.D. 303 in the last five years.

Response 3: The attached document, 13-387 [Redacted] doc3.pdf, is provided in response to this request.

If you have questions, please contact Amanda at (217) 782-4648 or asimhaus@isbe.net.
Sincerely,

Matt Vanover
Director of Public Information
