ATTN: FOIA Request Officer

To Whom it May Concern:
This is a request under the Freedom of Information Act.
I request that a copy of documents containing the following information be provided to me: any and all
records explaining the teacher certification history for June Kerry, who is said to have been a substitute
teacher in Harvey Public Schools on or about May 2, 2012. I would like documents explaining any
previous or current disciplinary measures taken against Kerry as well as dates she may have held a
certificate to teach in Illinois. If Kerry was not required to have a teaching certificate, I would like some
documentation of why this may have been the case.
I request a waiver of all fees for this request. Disclosure of the requested information to me is in the
public interest because it is likely to contribute significantly to public understanding of the operations or
activities of the government and is not primarily in my commercial interest. In addition, the response to
this request may be made by email, thus, eliminating the need for paper copies of the documents to be
generated.
Thank you for your consideration of this request.

Sincerely,
Pamela Jones
