Pavlyn Jankov
Chicago Teachers Union

Dear Pavlyn:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Nov. 30, 2012.

You have requested the 2013 school year school-level enrollments for the City of Chicago District 299 to include all of the school identification numbers that ISBE uses, including the Oracle unit ID used by CPS.

Districts have been given another chance to correct their enrollment data. Therefore, the 2012-2013 enrollment counts are not yet complete. We will be happy to provide you with the enrollment counts as soon as they are finalized. Our staff anticipates the data could be ready as early as the end of January.

Also, please note that we do not collect nor maintain the Oracle unit ID for Chicago schools.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Marcilene Dutton
Deputy General Counsel
