RE: FOIA request
Regarding Researchers Requesting Access to Personally Identifiable Information

Dear Mr. Koch;

I am requesting all information/Data you have collected on my grandson, [redacted], from any source including public schools, any teacher or administrator, internet source or government source.

I am [redacted], legal guardian (documents enclosed).

I am also requesting the names and contact information of every person, organization, corporation, and Government agency that has been granted access to “Personally Identifiable Information/Data” on children, teachers, or schools, for Research or any other reason since January 2009.

Lastly, I am requesting all correspondence, including, emails, letters, faxes, and phone calls, To anyone at PORTA 202 School District in Petersburg regarding collection of student or teacher data, to include instructions on what data to collect, when and where and how to collect data, how to deal with parents objections, where to send data obtained, and how to store data since January 2009.

I realize you may charge a reasonable fee to copy material. I am willing to pay any reasonable fee. If the fee exceeds $150.00 please contact me in advance for payment.

Thank you for your consideration.

Sincerely,
