Records Request

Dear Mr. Vanover and Ms. Simhauser,

Please provide a copy of the Chicago Public Schools (CPS) FY2014 Supplemental General State Aid preliminary plan that was due prior to July 15, 2013, and that includes all the information – for the district as a whole and for each local school attendance center – required according to section 203.20 of Title 23 of the Illinois Administrative Code. Please provide electronic copies of the reports in Excel (ie, the school-by-school listing) and other extractable text formats (ie, narrative section). Please see request number 13-063 as a reference for the type/format of documents that would be responsive to the current request. Please include school-by-school prior fiscal year (FY2013) carryover amounts in the school-by-school listing.

Please also provide a copy of correspondence from the ISBE superintendent (or designate) sent to the Chicago Public Schools in response to the preliminary FY2013 CPS Supplemental General State Aid plan including the reasons ISBE rejected CPS' initial FY13 plan. Please also provide an electronic copy of the CPS request to waive rules under section 203.20 and ISBE's decision on the waiver request.

Please send the documents via electronic mail.

Thank you very much for your assistance.

Sincerely,

Judy King
