This is a request under Illinois’ Freedom of Information Act.

Please provide:

/Any and all records which detail the total cost, to date, of the ELIS system, and the overall redesign of the TCIS and TSR systems (Please include billings that have not yet been paid). The total amount should include all expenditures incurred and paid to the main contractor and subcontractors, any contract renewals, and any repair work to correct system problems.

/Any and all records, including memos, correspondence and emails, that detail problems, issues, complaints or concerns about the ELIS system, as well as a description and status of any and all repairs and improvements related to those concerns and issues.

These records should include, but not be limited to, emails or correspondence between key members of the team working on ELIS between June 1, 2013 and the current date. Those team members should include Kellee Sullivan, Peter Godard, Don Evans, John Shake, Vicki Phillips and any officials from Hupp Information Technologies or its subcontractors.

/Copies of any letters, correspondence, or emails sent to any educators related to security issues with the ELIS system.

Please call if you have any questions.

As a member of the media, I request a waiver of fees, because the information I am requesting is in the public interest and will benefit the public at large.
