Dear Freedom of Information Act Officer, 

This is a request under the Freedom of Information Act. I am requesting a copy of the following documents: 

- What are the pregnancy rates and pregnancy-related dropout rates of each Chicago Public High Schools within the past 10 years? 

- In each Chicago Public High Schools, what are the dropout students’ reasons for dropping out within the past 10 years? 

- What is the email & phone list of all Academic Guidance Counselor / School Social Workers of all Chicago Public High Schools? 

- Who are the Title XI coordinators in regards to pregnant and parenting youth in the State of Illinois? 

I am affiliated with the University of Illinois at Chicago, and this request is made for a scholarly and scientific purpose, not for a commercial use. Disclosure of the requested information to me is in the public interest, because it is likely to contribute significantly to the public understanding how important it is to keep pregnant and parenting youth to fulfill their educational goals and also to focus on implementing the requirements and recommendations of Title IX in regards to this small population. 

Thanks so much for your consideration,
