Dear Ms. Santiago:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Feb. 28, 2014.

On Mar. 4, Megan Griffin of ISBE attempted to contact you via email with questions in regard to your below request.

You have requested the following:

Request 1: "A state-wide listing of licensed teachers and superintendents in the State of Illinois including their email addresses."

Response 1: As indicated to you by Megan Griffin on Mar. 4, our agency does not collect teacher email addresses. We recommend you distribute information to the district and/or school administrators in order for them to pass on the information to educators.

The attached document (14-255-santiago-doc.xls) contains a current list of administrators and their email addresses. In Column B, "Dist" indicates a superintendent and "Public/Nonpublic sch" indicates a principal. Email addresses are located in Column M.

Request 2: "Information on becoming an approved training provider for the State of Illinois."

Response 2: The rules for the provider approval process are currently being developed. Once the rules are in place, you will be able to view them on our website at the following link: http://www.isbe.net/rules/archive/pdfs/25ark.pdf. The proposed rules are at http://www.isbe.net/rules/proposed/default.htm. Our agency hopes the final rules will be in place by July, but we cannot guarantee it as we cannot say how long the Joint Committee on Administrative Rules (JCAR) review will take.

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.

Sincerely,
