Hi Matt,

Please see the following FOIA request, attached and copied below.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), this is a request for public records maintained by Illinois State Board of Education.

Please provide me with the following:

- All Charter School Report Information Forms (87-13) completed and submitted by charter schools operating in Illinois for the 2011-2012 and 2012-2013 school years.
- All Charter School Authorizer Report Information Forms (87-14) completed and submitted by charter schools operating in Illinois for the 2011-2012 and 2012-2013 school years.

It is my understanding these forms are required to be submitted by all charter schools operating in the state of Illinois to Jennifer Saba in ISBE’s Legal Division in September of each year.

Please provide the data in electronic format if this data is normally kept by an ISBE employee in that format, as I believe it is.

Chicago Public Media is a non-profit organization working for the public good. This request is made as part of our newsgathering efforts. We ask that you waive the fees for this service. If you do not waive the fees, we agree to pay any reasonable copying and postage fees of not more than $200. If the cost would be greater than this amount, please notify us. Please provide a receipt indicating the charges.

Illinois law requires your office to respond to this request within five [5] working days. If you have questions about this request, please contact me. If you choose to deny this request, please provide a written explanation for the denial, including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all portions of material that do not fall under the exemption(s) cited.

As a member of the media, I believe disclosure of the requested information is in the public interest.

Thanks!
