Dear Ms. Highland:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on July 11, 2013.

You have requested “a list of e-mail addresses for Illinois K-12 Mathematics teachers (including public and private institutions), school principals and superintendents, and district superintendents for the most recent school year available.”

The attached document (14-010-highland-doc.xls) is provided in response to your request. The spreadsheet provides contact information, including e-mail addresses, for all public and non-public school principals and district superintendents in the state. In Column B, a “Dist” indicates a superintendent, a “Public Sch” indicates a public school principal and a “NonPublic Sch” indicates a non-public school principal. Please note that our agency does not collect the work e-mail addresses for Illinois teachers.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover  
Director of Public Information
