The Weekly Post

Dear Mr. Knight:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Mar. 13, 2014.

You have requested to know where to find online data for “average administrator salary.”

The following link will provide you with average administrator salaries: http://isbe.net/research/htmls/quickstats.htm. See page five for the mean and median salaries for specific school personnel. Please note 2012 data is the most current available.

Individualized administrator salaries can be viewed in the Teacher Service Record at the following link: http://www.isbe.net/research/htmls/teacher_service_record.htm. Please note 2011-2012 data is the most current available. Click on the link for “Administrative Staff Only.” Column C contains district name. Column AB contains salary information. Each column in the table can be sorted or searched with the dropdown arrow at the top of each column. 2012-2013 data should be available later this spring.

Additionally, you could contact the districts directly to obtain recent administrator salary data.

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.

Sincerely,

Matthew Vanover
Director of Public Information
