Hi:

I'm trying to compare changes in administrative costs in a few school districts in our area between 2007 and 2012, but ISBE's online data for "average administrator salary" doesn't appear. Can you tell me where to find it online?

If not, please reply with that statistic for 2013 for these three school districts:
Brimfield CUSD 309
Elmwood CUSD 322
Williamsfield CUSD 210

Thanks!
