Shannon Bradford

Dear Ms. Bradford:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Mar. 13, 2014.

You have requested “information about new teacher hires for districts in your state and what university or teacher preparation program they graduated from. I am looking for the most recent information available, ideally 12-13 SY, but Mark made mention that 11-12 SY might be all that is available. If that is the case, that is totally fine.”

The Teacher Service Record can be viewed at the following link: http://www.isbe.net/research/htmIs/teacher_service_record.htm. Please note 2011-2012 data is the most current available. Click on the link for “Instructional Staff Only.” Columns AJ through AN contain graduation information. Each column in the table can be sorted or searched with the dropdown arrow at the top of each column. 2012-2013 data should be available later this spring.

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.

Sincerely,

Marcilene Dutton
Deputy General Counsel
