Dear Ms. Nunn:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Mar. 31, 2014.

You have requested “email contacts for all State of Illinois kindergarten through eighth grade public school teachers.”

The attached document (14-294-nunn-doc.xls) has been provided in response to your request. We do not collect teacher email addresses. We recommend sending the principals/administrators the information you would like to distribute and request they pass it on to the teachers. The attached document contains contact information for all Illinois administrators. In Column B, “Public/NonPublic Sch” indicates a principal. Column M contains email addresses.

Additionally, a list of all employed educators in the state can be found at the following link: http://www.isbe.net/research/htmls/teacher_service_record.htm. Click on “Instructional Staff Only” for a spreadsheet containing educator names and information. 2011-2012 is the most current data we have available at this time.

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.

Sincerely,

Marcilene Dutton
Deputy General Counsel
