Dear Ms. Pfister:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on May 20, 2014.

On May 28, our agency requested a five-day extension until June 5, 2014.

You have requested “1. The number of students in each school district in Kane County that require 1:1 support to participate in General education. 2. The number of paraprofessionals employed by each school district in Kane County. 3. The number of students spending more than half their school day in a General Education setting in each school district in Kane County.”

On May 21, you additionally requested “the number of students in each school district in Kane County who qualified for Extended School Year Services last year.”

The attached document (14-354-pfister-doc.xls) has been provided in response to your requests. Please note we have redacted student group sizes of less than 10 pursuant to 5 ILCS 140/7 (1) (a). Even in the absence of disclosing names, small group sizes could reveal student identities.
