Reference: Freedom of Information Act Request

Dear Mr. Vanover and Ms. Simhauser,

I am requesting the following public records under the authority of the Illinois Freedom of Information Act [5 IL CS 140/1]. The public record or information sought is not for commercial purposes. Please provide the following information:

Does the Illinois State Board of Education have a list of approved providers for Special Educational Disability and or Autistic (categories) needs that are in-State or out-of-State. That is similar to the approved list of Supplemental Educational Services (SES) providers.

If so, please provide that list of approve providers, from 2008 - 2013

Can the State of Illinois and or local school districts use taxpayer funds for Special Education Disability needs for education and or Autistic children outside the state of Illinois?

Thank you in advance.

Respectfully,

[Redacted]

Joe Gallego
