I would like information about registered apprentices for Illinois Plasterers and Cement Mason's Local Union 18. The information I am requesting is: How many plasterer and how many cement mason apprentices were registered with the Illinois Department of Labor Apprenticeship Program on August 19, 2013 and on October 5, 2013? Please itemize the plasterer and cement mason apprentices separately such as:
August 19, 2013 - 10 plasterer apprentices - 30 cement mason apprentices
October 5, 2013 - 11 plasterer apprentices - 32 cement mason apprentices
Thank You,
Kevin Elliott
