Katrina M. Adams  
AmeriCorps VISTA, FIRST

Dear Ms. Adams:

This letter is in response to your recent request for information under the Illinois Freedom of Information Act. Your request was received on Sept. 30, 2013.

You have requested a ranked list of all low-income schools in Chicago and the surrounding suburbs.

Please note that our agency does not maintain a ranked list of low-income schools. However, you may access the percent of low-income students at each school through our agency’s Report Card site at http://www.isbe.net/assessment/report_card.htm.

The most recent year available is 2012. Data for the 2012-2013 school year will be posted at the end of this month.

Under the year you seek, click on the link labeled “State, School, and District Report Cards.” In the “Search By” field, click “District Name” and then type the name of the school district you seek in the “Keyword” field and click search. You will then be able to access the district and individual school Report Cards for the district you identify.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover  
Director of Public Information
