Christopher Lewandowski
St. Charles North High School

Dear Mr. Lewandowski:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Dec. 3, 2014.

You have requested "the most updated listing of all public K-12 schools that includes: Email addresses and contact names for school psychologists, school principals, directors of special education, and district superintendents."

The attached document (15-158-lewandowski-doc.xls) has been provided in response to your request. The document contains contact information for all principals and superintendents in the state of Illinois. In Column B, "Public/Nonpublic Sch" indicates a principal and "Dist" indicates a superintendent. Email addresses are located in Column M.

Please note that our agency does not collect email addresses for school psychologists or special education directors. The most recent listing we have of school psychologists and special education directors is for the 2011-2012 school year. Go to http://www.isbe.net/research/htmls/teacher_service_record.htm and click on the link labeled "Full Public Data Set." The information you seek may be found in the following columns:

- Column C - District name
- Columns J, K and L - School name, address and city
- Columns P and Q - Educator's last and first name
- Column AP - Position description
- Column AP may be sorted to isolate psychologists and special education directors

We are close to completing the 2012-13 and 2013-14 data. We hope to have both years of data completed and available on our website by the end of 2014.

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.

Sincerely,

Marcilene Dutton
