Rec’d 1/7/2015

Mr. Griffin:

I am asking for this FPIA information on behalf of the Kewanee-Wethersfield Committee of 10 as we are proceeding to place on the ballot in March of 2016 a consolidation issue between two school districts (CUSD #229 of Kewanee and CUSD #230 of Wethersfield). Both of these school districts have their building within the corporate limits of the City of Kewanee, Henry County, Illinois. This citizen’s effort is independent from the two school districts.

Mailing address is: Committee of 10,
Email address is: 

The following information is required to be sent to the Regional Superintendent of School and thence to the State Superintendent.

1. A copy of a properly submitted circulation petition (just one page) of the required 50 signatures from each school district.
   This would be for the two districts to be combined into a new district.

2. A copy of documentation that must accompany the petition to the Regional Superintendent.

Thank you, John D. Kolata ICMA-CM
