Andrew Crosby
University of Illinois

Dear Mr. Crosby:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Jan. 27, 2015.

You have requested “School District Financial Profile data, including score calculations, for at least the date range 2001-2014, and ideally as far back as records exist, for all districts in Illinois, specifically in Microsoft Excel or CSV format.”

Due to the large size of the requested data, you can retrieve the data by following the below instructions. The data is from the 2002 through 2013 Annual Financial Reports (AFRs) that were used in the respective 2003 through 2014 Financial Profiles. The 2015 Financial Profile should be completed in March.

To access your requested data, please copy the following link to your browser: ftp://ftpwpbg.isbe.net. The username is “wpg” and the password is “wpg”.

There are three excel spreadsheets located on the FTP site for your viewing. Each excel spreadsheet contains five years of data starting with 2002 and ending with 2013.

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
