Re: Illinois Freedom of Information Act Request

July 2, 2014

Dear Illinois Purchase Care Review Board Staff:

Under the Illinois Freedom of Information Act, 5 ILCS 140, I am requesting an opportunity to obtain copies of public financial records that were submitted by Giant Steps Illinois to the Illinois Purchase Care Review Board.

This would include all of the documents and financial statements used to justify their rates in providing a non-public education to children in Illinois as well as any appeals filed and their associated documents for the 2013-2014 and 2014-2015 school years.

I understand that the Act permits a public body to charge a reasonable copying fee not to exceed the actual cost of reproduction and not including the costs of any search or review of the records. If possible, I would like to request that any documents be sent electronically to the address below.

I look forward to hearing from you.

Thank you for considering and responding to this request.

Sincerely,

Kimberly McClellan
