Hello-
I work for the City of Rockford Human Services a Community Action Agency. We are the Summer Food Sponsor in our area and was looking to see if I could get information on the percentage gap of the number of kids in Rockford Public Schools that are on the Free and Reduced Lunch Program compared to the number of kids that are involved in the Summer Food Program. Amy Bianco suggested that I contact you to get a FOIA request. I would be most appreciative of any assistance you can give.

Thanks much,
Chris
