Sharon Charest

Dear Ms. Charest:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Nov. 18, 2014.

You have requested "a current list of certified teachers in the state of Illinois, including phone numbers and email addresses."

The Teacher Service Record (TSR), available at the following link: http://www.isbe.state.il.us/research/htmls/teacher_service_record.htm, contains a list of instructional staff employed around the state. The most current TSR we have available is for 2011-2012. We are currently in the process of updating the TSR.

We do not collect individual teacher email addresses. The attached document (15-147-charest-doc.xls) contains contact information for all school and district administrators. We recommend sending the principals/administrators any information you would like to distribute and request they pass it on to their teachers. In Column B, "Public/NonPublic Sch" indicates a principal. Column M contains email addresses.

If you have questions, please contact Megan Griffin at (217) 782-4648 or mgriffin@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
