Re: Illinois Freedom of Information Act Request

Dear Mr. Murphy:

Under the Illinois Freedom of Information Act, 5 ILCS 140, I am requesting an opportunity to inspect or obtain copies of public records that document all purchase orders of USDA Commodity Pasta for all school districts in Illinois by case and by cut of pasta. The school districts use USDA entitlement dollars for the purchase of the pasta.

I understand that the Act permits a public body to charge a reasonable copying fee not to exceed the actual cost of reproduction and not including the costs of any search or review of the records. 5 ILCS 140/6. [Option:] I am willing to pay fees for this request up to a maximum of $25.00. The list of school districts and the quantity and cut of pasta can be emailed to me to avoid any fees.

I look forward to hearing from you in writing within five working days, as required by the Act 5 ILCS 140(3). Thank you for considering and responding to this request.

Sincerely,

Thank you,
