

FY NCLB Consolidated Application – New Section on Schoolwide Programs

Beginning with the release of the FY 2010 NCLB Consolidated Application, an additional section on schoolwide programs and targeted assistance school programs will be introduced. This section has been added to generate compliance documentation for local school districts.

Title I Targeting [Click here for Schoolwide Planning Document](#)

DRAFT

For each schoolwide attendance center listed below, provide the planning year, plan approval year, and implementation year of the schoolwide plan. Supporting documentation should be kept on file at the district and made available for review upon request.

Approved Schoolwide Programs				
Attendance Center	Schoolwide Planning Year	Date of Initial Local Board of Education Approval of Schoolwide Plan	Initial Schoolwide Implementation Year	Poverty Rate at Initial Implementation
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

For each targeted assistance attendance center listed below, indicate if schoolwide planning is in process for the next school year. Also indicate whether technical assistance from ISBE is requested to facilitate the schoolwide plan development process.

Targeted Assistance Programs			
Attendance Center	Low Income Percent	Planning for Schoolwide Project	Technical Assistance Requested from ISBE
<input type="text"/>	<input type="text"/>	<input type="radio"/> Yes <input type="radio"/> No	<input type="radio"/> Yes <input type="radio"/> No
<input type="text"/>	<input type="text"/>	<input type="radio"/> Yes <input type="radio"/> No	<input type="radio"/> Yes <input type="radio"/> No

The screenshot shows a Windows desktop environment with the 'MTW Designer - MTW Product - OPI Dev Database - Repository' application open. The taskbar at the bottom includes icons for Start, Internet Explorer, Microsoft Outlook, Citrix(R) NFuse(TM), eGMS Administration, and MTW Designer. The system clock shows 8:40 AM.
