

RECOGNIZING PRIMARY MEDIA

Performance Standard 29C.A

Demonstrate understanding of types of media accordingly:

- *Knowledge*: Know the correct target language terms for common media forms.
- *Comprehension*: Correctly respond to written questions.
- *Communication*: Use various strategies to understand media terms and match a picture to a word read by the teacher.

Procedures

1. *In order to understand literature and various media of target language societies (29C)*, students should experience sufficient learning opportunities to develop the following:
 - Identify the type of primary media when given an example in the target language
2. Provide each student with a copy of the task sheet. Have students review and discuss the assessment task and how the rubric will be used to evaluate their work.
3. Practice recognizing various forms of media with students.
4. Give students a set of pictures showing forms of media which includes several distracters such as telephone or letters.
5. Read words which relate to forms of media (e.g., television, radio, computer, book, newspaper). Students will draw “X” over each picture which matches the spoken words.
6. Evaluate each student’s presentation using the Foreign Language Rubric and add the scores to determine the performance level. Using the knowledge component, 4 = 5 correct, 3 = 4 correct, 2 = 3 correct, 1 = 1-2 correct
 - *Knowledge*: Correctly identified indicated types of media.
 - *Comprehension*: Understands media terms when presented in target language.
 - *Communication*: Knows target language terms.
