Authorization to Release Website and Email Information

Revised August 2008

The Private Business and Vocational Schools has a directory that is listed on the PBVS website, which lists all currently approved programs by school. Upon approval, schools are listed in the directory. However, authorization from you allowing us to include your website and/or email address is required. Please complete the area below and return to the address below. Please be sure to type or print clearly.

School Name: _____

School Address: _____

City: _____ State: _____ Zip: _____

Website Address: _____

Email Address (1): _____
Email you wish to have appear on website

Email Address (2): _____
Email address you wish to receive information privately from ISBE staff

Permission is hereby granted to the Illinois State Board of Education, Private Business and Vocational Schools, to publish the website address and/or email address for our school.

Date

Signature, Director/Chief Managing Employee
