# Regional Offices of Education

Regional Superintendents are locally elected officials who administer Regional Offices of Education, which are grouped by county or counties throughout Illinois.

**Note to Educators:** Certificate registration, applications for state certificates and endorsements are processed through Regional Offices of Education. If you have any questions or wish to submit certification documents, please contact the Regional Office that serves the school or district in the area where you are employed or if you are not currently employed, the area where you live. Educators who no longer live in Illinois register or apply through the Regional Office that last registered their certificates.

Applications and registration may also be submitted through ECS, an online application at [www.isbe.net](http://www.isbe.net). Educators indicate the appropriate Regional Office when submitting information.

## Responsibilities of the Regional Superintendent

### Educational Administration

- Respond to legal questions from educators, boards of education and other citizens. Issue, register and renew teacher certificates.
