

Teacher Loan Forgiveness – The Taxpayer-Teacher Protection Act (P.L. 108-409)

Teachers who teach math, science, or special education and who have taught for five years in a Title I school may be eligible for new loan forgiveness limits. The Taxpayer-Teacher Protection Act (P.L. 108-409) authorizes up to \$17,500 in loan forgiveness to eligible highly qualified math, science and special education teachers. This increase of \$12,500 above the previous loan limits is meant to ease the shortage of teachers in key subject areas.
