## ROEs/ISCs

### **ISBE TO ESTABLISH AFFINITY GROUPS TO SUPPORT AND RETAIN TEACHERS OF COLOR**

ISBE has launched a \$2 million effort to support and retain teachers of color. ISBE will establish a statewide system of affinity groups in partnership with Sangamon-Menard Regional Office of Education 51 and Teach Plus. The groups will bring teachers of color together to examine the causes of attrition, and other relevant issues. The recommendations will inform local district leaders on ways to improve working conditions and experiences for teachers of color. Retaining a higher rate of current teachers of color will help Illinois meet its overall high demand for teachers. For more information or to participate in this initiative, email Josh Kaufmann at [jkaufmann@teachplus.org](mailto:jkaufmann@teachplus.org).
