2016-17 PARCC Mobility Guidance

- *PARCC Mobility Guidance* document is posted on PARCC Place web site (www.isbe.net/Documents/PARCC_Mobility_2017_FINAL.pdf).
 1. Former school must exit student from SIS.
 2. New school must enroll student in SIS.
Contact the former school to find out if the student had started testing.
 3. As needed, the new school may enter a “Work Request” in PAN to request the new student be added in PAN to their school.
 4. ISBE and the former school can review/approve the request.
 5. ISBE reviews requests daily and approves if SIS data are consistent with request.
- **IMPORTANT:** New school must edit “Responsible School” in the “Register Students” tab in PAN, as appropriate (this should match the “Home School” in SIS enrollment).
- If immediate action is needed, contact Student Assessment at 1-866-317-6034 or email assessment@isbe.net.

2016-17 PARCC Transfers

Once a student is “Approved” for a transfer, note the following:

- Review the test details in PAN under “Manage Student Tests” to ensure the **test format (Paper or Online)** and any needed accommodations and accessibility features are identified correctly.
- Under “Register Students” make sure the “Responsible School” indicates the current “Home School” as indicated in the SIS enrollment.
- For online test format only, the Math and ELA/L records are automatically placed into a “TRANSFER” Test Session ***if the former school had already placed the student into a Test Session***. If this happens, the new school must move the student to a new Test Session for testing.

- In PAN:
 - Under “Students in Sessions” Mark the original test (all units) complete.
 - Under “Manage Student Tests” void the test and create a new test to replace the voided test.
 - Use void code 1 for issues related to incorrect test form or incorrect accommodations.
 - Use void code 2 for anything else.
 - Click “Create Student Tests” to assign a new test for the student with the correct accommodations. Place the new test in a different session and print new test ticket.

User Role Restored!

- On March 16, 2017, the “Undo Test Submit” role was added to all users in Pearson Access^{next} who currently have the “LEA/District Test Coordinator” role.
- This role allows those who have it to undo a unit test submission if the student accidentally submitted.
- Users who have this role are able to add it to other users who need it.

2016-17 PARCC

“Reminders” and “Critical Warnings” in PAN

- Some students may have a “reminder” or “critical warning” in PAN.
- These appear after the state ID as an oval with a number inside.

<input type="checkbox"/>	123456789	 	STUDENT	SAMMY
--------------------------	-----------	---	---------	-------

- “Reminders” are displayed to remind users that local documentation should exist for a selected accommodation.
- “Critical Warnings” are displayed to indicate that some demographic fields are blank.
- Neither of these affect testing.

2016-17 SAT Webinar

Preparing for the ISBE-Sponsored SAT School Day Webinar:

Tuesday, March 14, 2017 at 9:00-10:30 AM or

Tuesday, March 14, 2017 at 2:30-4:00 PM

(repeat sessions)

- This webinar focused on preparing for the April 5, 2017, SAT administration. The webinar included in-depth information about using rosters, addressing students who aren't already registered, and preparing for test day.
- A link to the webinar video and PowerPoint are posted under "Presentation & Webinars" on the ISBE SAT page for those who were unable to attend.
<https://www.isbe.net/Pages/SAT.aspx>

2016-17 SAT (SIS Pre-ID)

- Continue to enroll/exit students in/from SIS so the SAT Pre-ID will be current when SIS sends an update to College Board based on April 5, 2017, data.
- The SAT Pre-ID in ISBE's SIS includes all currently-enrolled grade 11 students (testing exceptions are noted below).
 - LEP students for whom the "First Year in U.S. School" indicator is "yes" will appear on this report but are required to take only mathematics.
 - Private School students will appear on this report but may or may not need to test, depending on their instruction (e.g., a home schooled student enrolled in the public school for only band will not take SAT).
- Review the SAT Pre-ID for accuracy.
 - If a student you plan to test is missing, verify the SIS enrollment is active and the grade level is 11.
 - As appropriate, move students from the SAT Pre-ID file to the DLM-AA Pre-ID file (or vice versa).

SAT Rosters vs. SAT Pre-ID

- The SAT has two types of rosters:
 - Online Attendance Roster for the Test Center Supervisor
 - Nonstandard Administration Report (NAR) for the SSD Coordinator
- All students who were in the January SAT Pre-ID will be included on either the Online Attendance Roster or the NAR.
- Students who were not included in the January Pre-ID will not appear on the rosters.
- Students may shift from the Online Attendance Roster to the NAR through mid-March as accommodations approvals are matched to student registrations.
- To view all students currently enrolled as grade 11 and expected to test, view the SAT Pre-ID report in SIS.

Other ETS Roster Questions

- What if my roster is missing students?
 - For any student who does not appear and for whom you do not receive a pre-ID label, a paper registration form, sent with test materials, must be completed and the student must be added manually to the appropriate roster.
- What if my roster has students I don't expect?
 - For students who appear but will not test at your school, identify the reason on the roster for your local use (e.g., absent/no longer enrolled). After testing, SIS will capture the "Reason for No Valid Test Attempt" during the corrections window.
- When are my rosters final?
 - By March 22, two weeks before the test date, both the Online Attendance Roster and the NAR should correctly reflect all students who were in the SAT Pre-ID file. If not, please contact College Board.
 - Use these rosters to finalize your room planning.
- Roster Questions?
 - Contact 844-688-9995 or email illinoisadministratorsupport@collegeboard.org

Illinois ACCESS for ELLs 2.0 Checklist			2016-17		
Before Testing (Online) <i>updated 2.1.17</i>					
<p>This document is a guide for personnel involved in the administration of ACCESS for ELLs 2.0 in Illinois. Guidelines for both online and paper administration are included. Please see pages 1-8 for the online checklist and 9-15 for the paper checklist. The checklist highlights all tasks that need to be completed before, during, and after testing within a school or district and shows who typically completes those tasks in your state. The state-specific clarification column contains guidance that your state education agency expects you to follow as you prepare for and administer the test. Use this checklist to keep track of completed tasks.</p> <p>Illinois allows both online and paper administration modes. Modes may be mixed within testing sites. Individual students should use just one mode except in extraordinary circumstances. Tasks marked with "X" should be done by everyone in this role. Tasks marked with "D" may be delegated.</p>					
District Test Coordinator	School Test Coordinator	Test Administrator	Task	State-specific Clarification	Complete
X	X	X	Meet with staff involved with testing to review roles and responsibilities.	Test Administrator (TA) qualifications are posted here . TAs who have completed the online training are not required to repeat it unless so announced by ISBE. TAs may elect to revisit training at any time.

X	X	X	Watch the Training Overview tutorial (online). 15:15		
D	D	D	Visit your state's page on the WIDA website and check key dates.	Illinois' WIDA webpage: https://www.wida.us/membership/states/illinois/index.aspx	
D	D		Determine how you will communicate with students' parents/family members about ACCESS for ELLs 2.0 testing: its purpose, when their child will test, and any tips for helping students do their best. WIDA resources to consider: <ul style="list-style-type: none"> • ACCESS for ELLs 2.0 Parent Handout (available in English and various other languages) • Alternate ACCESS for ELLs Parent Handout (available in English and various other languages) • Getting Students Ready for Testing flyers (Paper version, Online version)
