Illinois State Board of Education

Zoom Meeting; Invite Only

Tuesday, June 3, 2026

3:30 – 5:00 p.m.

I. Welcome and Introductions

Dr. Cheryl Krohn welcomed all advisory group members and guests. C. Krohn reminded participants of the framing for the advisory group work and reviewed the meeting agenda.

II. Meeting Five Review: Themes and Considerations

C. Krohn reviewed the Advisory Group's charge and reminded participants of the topic of meeting four's breakout rooms: developing initial recommendations on the first domain, Candidate Selection and Completion.

III. Data Presentation: Candidate Selection

Meg Bates and Mariana Barragan Torres from the Illinois Workforce and Education Research Collaborative (IWERC) presented findings from their analysis of principal pilot data on the first domain, Candidate Selection. Findings drew from data collected in 2018-2024. Findings shared included:

- Findings on Program Selection and Enrollment
- Findings on Diverse Candidates
- Findings on Candidate GPA
- Findings on Candidate Employment and Candidate Professional Experience

Participants were asked to use the information presented to consider:

1. How the underlying data might be useful for continuous improvement, transparency, and accountability
2. What other questions they have about the data
3. How the findings from this data analysis affirm or challenge their group discussions about Domain 1 indicators

M. Bates facilitated a whole group discussion on the following prompts:

- What questions do you have about the data or findings?
- How might the underlying data be useful for your area (e.g., administrators, support staff, teachers) for:
 - Continuous improvement?
 - Transparency?
 - Accountability?

- How do the findings from this data analysis affirm or challenge your group discussions about Domain 1 indicators?

IV. Domain Deep Dive Continued: Candidate Selection and Completion

C. Krohn reminded participants that they would be continuing breakout group conversations with a focus of either starting or continuing initial recommendations for this domain. Breakout rooms lasted for 50 minutes and included a facilitator and notetaker.

V. Preparing for Upcoming Meetings

After returning from breakout rooms, C. Krohn and other breakout room facilitators briefly shared a progress update for each working group. C. Krohn informed participants that the next steps in preparation for the seventh meeting would be shared via email, including pre-work for the second domain.

VI. Closing

C. Krohn reminded advisory group members of the meeting cadence. The next meeting will be held on Wednesday, June 17, 2026, from 3:30-5:00 p.m. C. Krohn adjourned the meeting.
