Base Salary is the contracted dollar amount the employee is paid for the school year.

Calculating Base Salary

Note:

An employee's FTE may need to be adjusted when salaries are entered.

Hourly employees won't have contracted base salaries.

What is an FTE Adjusted Base Salary?

- FTE Adjusted Base Salary is a calculated field ISBE uses to annualize salary.

Why do we calculate FTE Adjusted Base Salary?

- Detecting FTE errors
- Detecting salary errors
- Annualizing salaries

FTE Adjusted Base Salary Equation:

Enhancements & Updates

SY 2018

Why the change?

For the purpose of information required under Section 10-17a(2)(E) of the School Code

What to expect?

Not considered as absence

- Professional development
- FMLA
- Long-term disability
- Parental leaves

Considered as absence (examples)

- Vacation days
- Sick days
- Personal days
- Jury duty
- Military Leave

***** This information will be a component of the SY 2018 salary data collection *****

New Data Elements

1. Number of days absent (required field)

- Total number of days absent during the school year including partial days absent. Days absent will be a number with 2 decimals with a 1.00 meaning the teacher missed the whole day and .40 would indicate the teacher missed 2 periods out of 5 periods that they were scheduled to teach or work. Use 0.00 if there were not absent days taken during the school year.
- All licensed EIS employment records require the number of days absent.

$$\frac{\text{Number of teachers (FTE) absent at least 10 days}}{\text{Total number of teachers (FTE)}} = \text{Teacher Attendance Rate}$$

Why the change:

To consistently align teaching position codes with instructional staff for the purposes of teacher of records, salary, experience and educator evaluation.

What to expect:

Replace:

- ~~209 – Dean of Students Teacher (no admin endorsement)~~

With:

- **126 – Dean of Students Teacher (no admin endorsement)**

Replace:

- ~~210 – Head of Gen Ed (Department chair no admin endorsement held)~~

With:

- **127 – Head of Gen Ed (Department chair no admin endorsement held)**

Why the change?

Missing position request files allows school districts the ability to:

- Create a file which only contains EIS missing positions as indicated on the EIS dashboard
- Contains the same fields as the EIS Employment/Position template
- Capability to use the resulting request file to submit EIS Employment/Position records

The screenshot shows the EIS dashboard with the 'Batch Files' tab selected. The dashboard includes sections for 'Upload', 'Request File', and 'Download'. The 'Upload' section has a 'Browse...' button and an 'Upload' button. The 'Request File' section has a 'School Year' dropdown set to '2017', a 'Select File' dropdown set to 'Missing Positions', and a 'Request File' button. The 'Download' section has a link 'click here' circled in red.

 - This is in addition to utilizing batch uploads and the EIS online screens to enter data.
- Providing current data to ISBE using web services is simple and automated for data entry staff
- Web services use the same template as batch upload
