

SAT[®] School Day Request to Cancel Test Scores

CollegeBoard

SAT[®]

Fax: 610-290-8978

Use this form only if you wish to cancel scores for the SAT[®].

Complete this form and give it to the associate supervisor before you leave the testing room. You may cancel scores after you leave, but your request must be received no later than 11:59 p.m. U.S. Eastern Time on the fourth business day following your test day. Confirm the deadline that applies to you with your supervisor.

Once we receive your cancellation request, we cannot reinstate your scores, and they will not be reported to you or your designated institutions. If your school is participating in a state-provided administration of the SAT, canceled student scores may still be sent to the state and district and may be accessible to your school, but will not be sent by the College Board to your chosen colleges or scholarship organizations.
