Illinois Assessment Update

Illinois State Board of Education
April 13, 2018

Look for the GNU for NEW information!

2017-18 PARCC

(Partnership for Assessment of Readiness for College and Careers)

Student Mobility

- Please make student transfer requests in PAN, and also continue to submit new student exits and enrollments in SIS.
- PARCC 2018 Student Mobility Guidance: www.isbe.net/Documents/PARCC_Mobility_2018.pdf
- ISBE assessment staff will monitor transfer requests in PAN and approve as quickly as possible.

PARCC Transfers

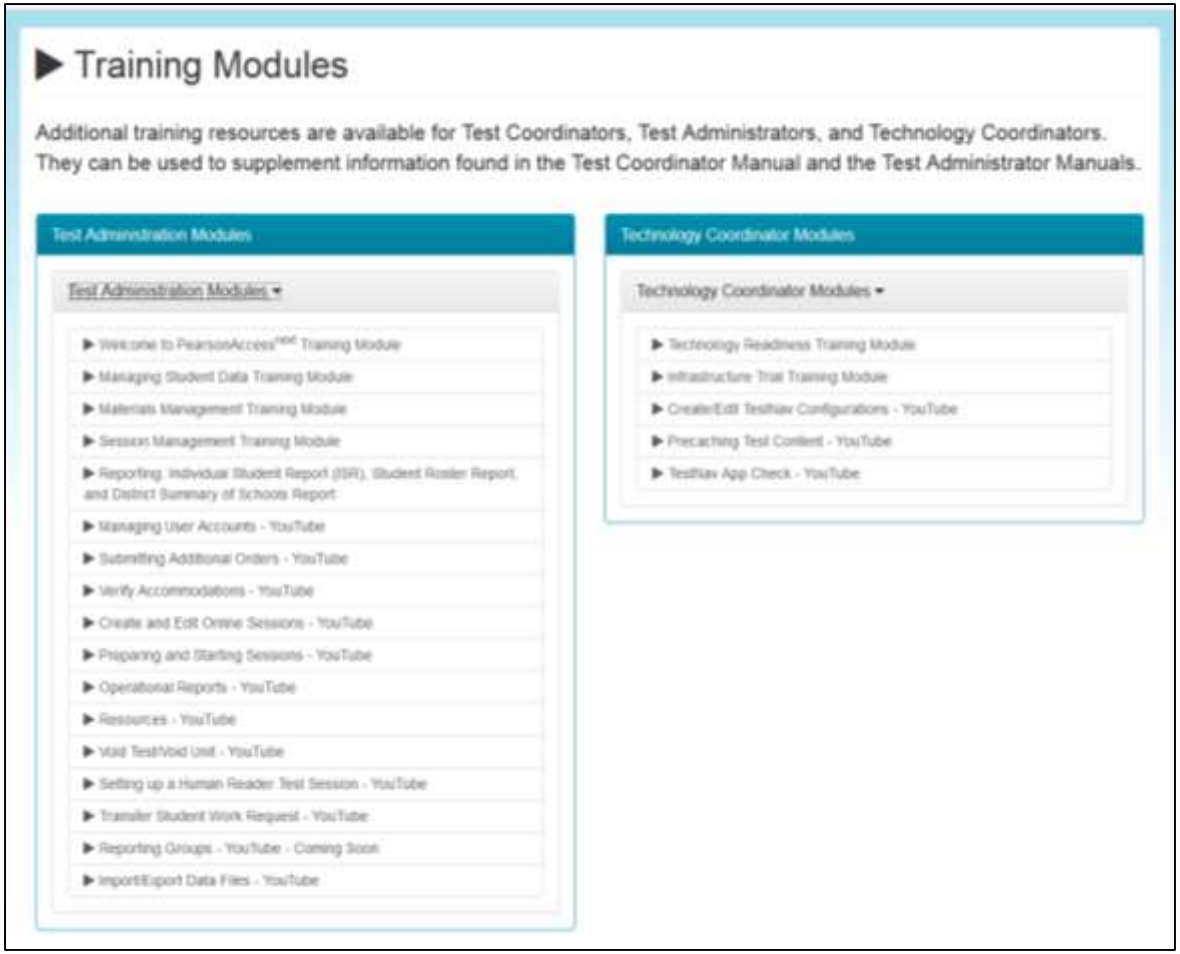
- The new school staff must add transferred records into sessions at their school for testing. *Make sure test format is online.*
- If a student has completed some but not all units, data from those completed units will be transferred automatically.

IMPORTANT:

- Do not request a transfer in PAN for a new student who completed all units of math and ELA in their previous school.
- Do enroll the new student in SIS. After testing, enter the reason for no valid test attempt in SIS using code 8 (Transferred in After Test Administration) to indicate both tests were completed before the student transferred to your school.

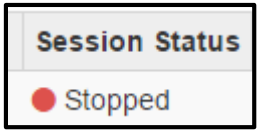
PARCC Training Modules

https://parcc.pearson.com/training-modules/

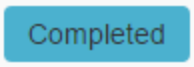


Stopping Test Sessions

- Please stop test sessions after all students (in the session) have completed testing.
- Student responses are not submitted for scoring until a test session is in “Stopped” status.

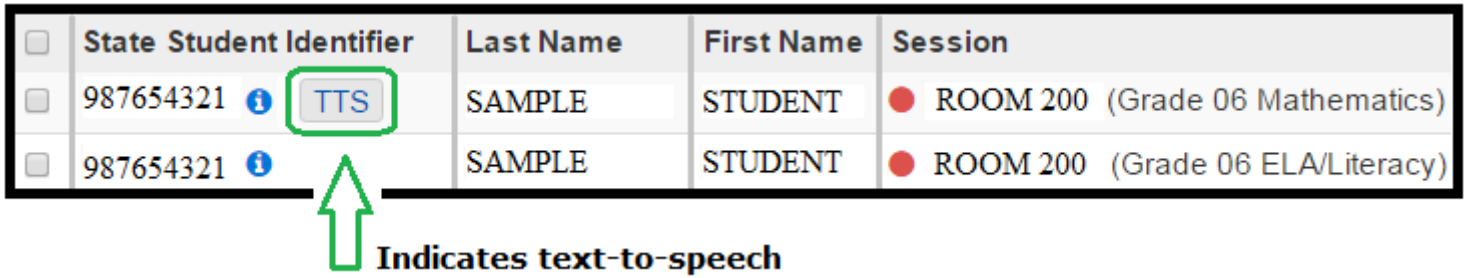


- A session cannot be stopped until all units in a session are “Completed” or “Marked Complete” status.



Incorrect Accommodations Online Assessment

- Prevent this from happening by checking the accommodation in PAN before beginning testing.



- Voiding a unit does NOT re-set the accommodations.
- To re-set test with correct accommodations, you must: (1) mark the test complete, (2) void the test, and (3) assign a new test with correct accommodations to the student.

Voiding a Test

- **When voiding tests, for *void test score reason (in PAN):***
- **Enter 01 for incorrect accommodation assignment.**
- **Enter 02 for anything else.**

ISA
(Illinois Science Assessment)

2018 ISA Translations

- Translation of the ISA is allowed for students either in a written copy or by a human translation at the time of testing.
- The written translation of the ISA assessment must be treated as secure material and must be disposed of in a secure manner once the assessment is completed.
- A written translation cannot be stored locally by either electronic version or in paper format.
- Process detailed in the following slides…

ISA Test Security

- Do not read, review, analyze, or copy in any way secure test materials (including pilot/field test materials) at any time ***before***, ***during***, or ***after*** test administration.

  There are three exceptions:

  – ***Reader Scripts*** *– Test administrators using a reader script as an accommodation should take some time to familiarize themselves with the format of the reader script immediately prior to the first test session.*

  – ***Language Translation*** *– Test administrators using translation as an accommodation should take some time to familiarize themselves with the format of the reader script immediately prior to the first test session.*

  – ***Copying/reproducing (for an accommodation)*** *– School staff members may reproduce secure test materials, in whole or in part, if this is necessary to provide a particular test accommodation for a student with IEPs, Section 504 Plans or EL Plans. All such copies are themselves secure materials and must be returned to the School Test Coordinator with the original test materials.*

- Do not send test materials via electronic formats without expressed permission from ISBE staff.
- Read Professional Testing Practices for Educators for details.
- As always, call ISBE if you have questions.

2017-18 SAT Eligibility Details

- Who must test?
  - All students enrolled as grade 11 at the time of testing must test.
  - This includes foreign exchange students who are classified as grade 11.
  - This includes students repeating grade 11 (even if tested in spring 2017).
  - This includes home schooled students who take either ELA or math at the public school.
- Exceptions:
  - Some grade 11 students take DLM-AA, the alternate assessment, instead of SAT.
  - Grade 11 students with EL status also identified as “First Year in U.S. School” must take mathematics but are exempt from ELA portions, including the essay.
  - Homeschooled students who are not enrolled in ELA and/or math may not test.
  - New students who are from outside an Illinois public school (e.g., out-of-state, homeschooled, parochial school) *enrolling with grade 12 status* do not test.
- Questions about specific students? Contact the Assessment Division: assessment@isbe.net or 866-317-6034.

"First Year in U.S. School" Status

- Definition: *First Year in U.S. School is an EL student who has attended schools in the United States for 12 months or less.*
  www.isbe.net/Documents/parcc-pre-id.pdf
  www.isbe.net/Documents/sat-pre-id.pdf
  www.isbe.net/Documents/dlm-aa-pre-id.pdf
- This status allows a student to be exempt from ELA testing and may be used one time only.
- Students from U.S. territories (e.g., Puerto Rico) may qualify for this status if they have attended schools in the U.S. for 12 months or less.
- Must be **LEP=Yes** in SIS enrollment and **First Year in U.S. School=Yes** in PARCC, SAT, and DLM-AA Pre-ID (or Corrections) file.
- For SAT, must order "State-Allowed Accommodations" to skip ELA sections (including essay). Students must still take math sections.

SAT Accommodations Information

Two Types of Accommodations

   - For Students with Disabilities
   - College Reportable
   - Request Deadline Has Passed: February 19, 2018
   - Late Request Deadline Has Passed: March 05, 2018
     (Late Requests for only new students or students with a new/revised accommodation)

   - Request Deadline Has Passed: March 05, 2018
     Note: make sure the request is in SSD Online under the AI code where the student will test. Transfer the request as needed.

SAT Accommodations Information

- For situations arising after March 5 but before April 10, 2018, submit the accommodations request and contact the College Board SSD Department so materials can be delivered for the accommodations test window.
  Example: State-Allowed accommodations must be ordered for LEP students who need to test with extended time only.

- **Translated Test Directions**
  Directions in several languages for spring 2018 are available now for download from the ISBE SAT website under the '2017-18 SAT Information' accordion (www.isbe.net/Pages/SAT.aspx). The **thirteen** languages include Albanian, Arabic, Bengali, Chinese/Mandarin, Gujarati, Haitian Creole, Hindi, Polish, Portuguese, Russian, Spanish, Urdu, and Vietnamese. School staff may print and provide these directions to students on test day. School staff may also provide translated test directions for other languages using district/school translators.
  Students using translated test directions will receive college-reportable scores.

- **Word-for-Word Glossaries**
  Approved glossaries may be used by students on test day. ISBE has posted the current list on www.isbe.net/Documents/spring-2018-sat-sd-college-board-approved-glossaries.pdf. Be sure students are familiar with using the glossaries prior to test day. The approved glossaries should be distributed to students for their use on test day.
  Additional languages have been added, and this document was updated 02/19/18.
  Students using approved glossaries will receive college-reportable scores.

- Grade 11 students are required to take the SAT with Essay as part of the ISBE-sponsored accountability testing.
- Any student who does not want their SAT scores to be included in College Board's official database of scores may, within three days of testing, complete the "State-Provided SAT® School Day Request to Cancel Test Scores" form that is shipped to schools with test materials.
- The "State-Provided SAT® School Day Request to Cancel Test Scores" form will also prevent a score from being reported to the student and any college or university. Once canceled, scores may not be reinstated.
- ISBE will receive the student's score for accountability reporting purposes.
- "State-Provided SAT® School Day Request to Cancel Test Scores" link: www.isbe.net/Documents/2018-sat-school-day-cancel-scores-request-form.pdf

SAT Assessment Correction in SIS

- Any student who tests must be included on the SAT Assessment Correction report in SIS so their scores will "have a place to land" when they arrive in July.
- In order to be included on the SAT Assessment Correction report in SIS, a student must have a "grade 11" SIS enrollment on April 10, 2018.
- Districts may adjust grade levels as needed in SIS so students are included.

Reason for No Valid Test Attempt

RNVTA codes and definitions:

www.isbe.net/Documents/reason-no-valid-test-attmpt.pdf

Codes 1-9

Reason for No Valid Test Attempt PARCC, DLM-AA and SAT		
Code	**Value**	**Definition**
1	Medically Exempt	Student (a) was hospitalized because of medical emergencies or procedures (e.g., because of a motor vehicle or other type of accident, surgery, psychiatric emergency) during the time of testing or (b) was participating in residential programs that provide psychological treatment or treatment for drug or alcohol abuse during the time of testing.
2	Homebound	Student was homebound during the time of testing, and it was not feasible or appropriate for the student to be tested due to their medical condition.
3	In Jail/Locked Facility	Student was in jail or a locked facility during the time of testing.
4	Out of State/Country	Student was residing in or attending a facility located out-of-state or out-of-country during the time of testing. This includes any Illinois student in a foreign exchange program.
5	Not Enrolled	Student was not enrolled during the time of testing (exited prior to the start of testing). *(not for students outplaced to a serving location)*
6	Not In Valid Grade or Course	Student was erroneously classified during the time of testing as being in a grade in which a state assessment is given. For DLM-AA grades 3-8 and 11, for PARCC grades 3-8, and for SAT grade 11. This code also applies to records with the incorrect test identified (i.e., shows PARCC or SAT but should be DLM-AA or vice versa).
7	Transferred Out Prior to Testing	Student transferred out (exited) prior to the end of the local test administration window but had not started or had not completed testing.
8	Transferred In After Test Administration	Student transferred in (enrolled) during the local test administration window after starting or completing testing at his/her previous school. This code also applies to students who transfer in during the local test administration window too late for testing to be feasible.
9	Deceased	Student died prior to testing or during the time of testing.

Reason for No Valid Test Attempt

RNVTA codes and definitions:

www.isbe.net/Documents/reason-no-valid-test-attmpt.pdf

Codes 10, 15, 16, 17

Reason for No Valid Test Attempt PARCC, DLM-AA and SAT		
Code	**Value**	**Definition**
10	Absent from Testing	Student should have tested and other definitions do not apply.
15	Refusal but Present to Test	**For PARCC, student was presented a test booklet or an online test ticket but refused to engage with the test.** **For DLM-AA, student was presented with online testlet but refused to engage with the test.** **For SAT, student was presented a test booklet but refused to engage with the test.**
16	Part-Time Enrollment	For PARCC (grades 3-8) and SAT (grade 11) and DLM-AA (grades 3-8 and 11), students who are enrolled in a private school or are homeschooled and are enrolled only part-time in a public school and are receiving instruction from the public school in a tested content area must participate in that content-area test. This code should be used for all other content-area tests in which the student is not receiving instruction from the public school.
17	Student Not Required to Participate in State Assessment	Student is not required to participate in state assessments because student is attending a public university laboratory school under Section 18-8.05(K) of the School Code; or student is beyond the age of compulsory attendance (other than students with IEPs) and student's education program does not culminate in the issuance of a regular high school diploma; or student is enrolled in a program of Adult and Continuing Education as defined in the Adult Education Act (105 ILCS 405/1-1 et seq.).

Reason for No Valid Test Attempt

RNVTA codes and definitions:

www.isbe.net/Documents/reason-no-valid-test-attmpt.pdf

Codes 18-22: SIS Use Only

Reason for No Valid Test Attempt PARCC, DLM-AA and SAT		
Code	**Value**	**Definition**
18	PSS-SIS Use Only	This not tested reason is applied automatically to any SIS enrollment record having YES for the Private School Student (PSS) Indicator. Districts may use code 16 for students whose Private School Student Indicator was erroneously set to NO.
19	Reserved for Internal Use-SIS Use Only	This RNVTA is applied by SIS when directed by Student Assessment in cases where participation credit should not be given. Participation credit is negatively impacted by this RNVTA.
20	Reserved for Internal Use Only-Multiple Scale Scores for Same Content Area	This RNVTA is applied by SIS when a student has multiple scale scores in the same content area. The invalid attempts have been suppressed with Report Suppression Action Code 01. Participation credit is NOT negatively impacted by this RNVTA.
21	Reserved for Internal Use Only-Scale Score for Content Area Exists in Another School	Student has scale score for the content area in another home school, so SIS applies code 21 automatically when the RNVTA is blank for the home school without the score. Participation credit is NOT negatively impacted by this RNVTA.

- ISBE is in the process of updating the School Code. For now…
  - Placing high school accountability test scores on transcripts is no longer required.
    - Reference: Public Act 100-0222 (signed into law on 08/18/17) www.ilga.gov/legislation/publicacts/fulltext.asp?Name=100-0222&print=true&write
  - Taking the high school state accountability test remains a condition to receive a regular high school diploma.
    - Reference: "State goals and assessment" (105 ILCS 5/2-3.64a-5) Sec. 2-3.64a-5
- ISBE Rule defines "grade 11" and indicates students may not be promoted to grade 12 in SIS until they have taken the high school accountability test.
