

SAT® SCHOOL DAY

Student Answer Sheet Instructions

This guide will help you fill out your SAT® School Day answer sheet—including where to send your four free score reports. Be sure to record your answers to the questions on the answer sheet. Answers that are marked in this booklet will not be counted.

If your school has placed a personalized label on your answer sheet, some of your information may have already been provided. You may not need to answer every question. Your instructor will read aloud and direct you to fill out the appropriate questions.

Confidentiality

Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your SAT information are required to keep it confidential and to follow College Board guidelines for using information. See the *SAT School Day Student Guide* for more details, including how to opt out of Student Search Service® if you change your mind.

16. Student Search Service Student Search Service is a free, voluntary program that connects students with information about educational and financial aid opportunities from eligible colleges, universities, scholarships, and other educational programs.
