

BUILDING COMPREHENSIVE EVIDENCE-BASED LITERACY INSTRUCTION, LEARNING, AND LEADERSHIP

You can't buy it. You build it.

Strengthen local literacy systems through the **Illinois Literacy Institute**, focused on comprehensive, evidence-based instruction aligned to the Illinois Comprehensive Literacy Plan. Engage in collaborative learning, learn from educators across Illinois, and develop actionable plans you can take back and implement immediately. Whether you are building or refining your local literacy plan, this experience is designed to move your work forward.

Dates	Description	Registration
June 15-16	<p><u>Elementary Teams</u></p> <p>In this two-day institute, elementary teams will design and strengthen cohesive literacy systems grounded in evidence-based practices. Participants will explore the essential components of early literacy, examine curriculum and assessment alignment, and engage in guided team planning to build or refine local literacy plans that support all learners.</p>	 <p>Register Here</p>
June 17-18	<p><u>Middle and Secondary Teams</u></p> <p>Middle and high school teams will engage in a two-day institute focused on strengthening literacy practices across content areas. Participants will apply disciplinary literacy and writing practices, strengthen how they support students in reading, writing, and thinking within the disciplines, and collaborate to build aligned instructional systems connected to the Illinois Comprehensive Literacy Plan.</p>	 <p>Register Here</p>
