D) Each program shall include a preservice assessment of each candidate's performance, to be conducted by the institution or not-for-profit entity responsible for the program at the conclusion of the course of study in order to determine the candidate's readiness for the two-year teaching assignment. Each proposal shall state the criteria for the institution's or entity's determination of candidates' readiness.

6) Each proposal shall describe the proposed arrangements for candidates' teaching assignments under this Section and shall provide for these to be set forth in a formal, written agreement between the participating entity responsible for the program and the school districts, early childhood or nonpublic special education facility, or charter school where candidates will practice. Each agreement shall address:

A) the nature and intensity of the support to be provided to candidates by the mentor, as well as any experienced teachers and other staff members of the district, including:

i) the qualifications and experience of the mentor and any of the assisting teachers and staff;

ii) the estimated amount of time the mentor and any assisting teachers and staff will devote to advising and assisting candidates; and

iii) the specific roles of the mentor and any assisting teachers and staff;

B) provisions enabling candidates to compensate for teaching time lost due to emergencies; and
C) the process and criteria to be used by the principal, or qualified equivalent, of the school where the candidate is placed and the program coordinator to recommend the candidate's placement in a second year of residency. (Section 21B-50(b)(2) of the Code)

The assessment methods shall be set forth in a formal, written agreement between the participating entity responsible for the program and the school districts where candidates will practice. Each agreement shall describe:

A) the roles of the principal and program coordinator who will participate in the evaluation of candidates;

B) assessment methods capable of demonstrating whether a candidate is:
   i) knowledgeable about specific subject matter and strategies for teaching that subject matter to students with differing needs; and
   ii) skilled in managing and monitoring students' learning; and

C) the professional development process to be used either for those candidates who receive a "needs improvement" rating at the conclusion of the assessment process or in instances when the principal and program coordinator cannot agree. This process shall address the candidate's weaknesses and deficiencies identified during the assessment and assist the candidate in making improvement during the third year of residency relative to those weaknesses and deficiencies. The option for professional development and a third year of residency shall not be afforded to any candidate who receives "unsatisfactory" ratings from both the principal and program coordinator or for anyone who receives an "unsatisfactory" rating from either the principal or program coordinator and a "needs improvement" rating from either the principal or program coordinator.
8) Each proposal shall delineate any criteria, in addition to a candidate's receiving a rating of "proficient" or higher at the conclusion of the comprehensive assessment required under subsection (c)(7), by which candidates will be recommended for the PEL endorsed in the content area and grade level of the candidate's residency practice by the participating entity responsible for the program.

9) Proposals shall be submitted electronically to the State Superintendent or designee.

d) Program Approval
Proposals for the establishment of alternative programs for teacher licensure meeting the specifications of this Section and Section 21B-50 of the Code shall be approved by the State Superintendent pursuant to the requirements set forth in Section 25.120. Programs shall be reviewed in consultation with SEPLB.

e) Successful completion of the program shall be deemed to satisfy any other practice or student teaching and content matter requirements established by law. (Section 21B-50(b) of the Code) A candidate successfully completing the program shall receive a PEL endorsed in the content area and grade levels of the residency practice upon application and payment of the fee required under Section 21B-40 of the Code.

f) Each alternative program established pursuant to this Section shall be subject to the review process and reporting requirements described in Subpart C.

The applicant must submit an official transcript from the U.S. institution or a certified transcript from the foreign institution. c) A representative of the recruiting school district who has been trained by the State Board or its designee in the use of the required instruments shall confirm evidence of each candidate's English proficiency in one of the following ways:

3) that no candidate recommended by the district as potentially eligible to teach in Illinois would be disqualified under Section 10-21.9(c) of the Code.

Section 25.100 Teaching Endorsements on the Professional Educator License

Appendix E provides a list of the available endorsements and shows for each endorsement the related endorsements that were issued before July 1, 2013. Any semester hours of credit presented toward fulfillment of the requirements of this Section shall be posted on the candidate's official transcript and may be taken in on-line or electronically-mediated courses, provided that college credit is provided for the coursework by a regionally accredited institution of higher education. All professional education and content-area coursework that forms part of an application for licensure, endorsement, or approval must have been passed with a grade no lower than "C-" or equivalent and be posted on the individual's official transcript in order to be counted towards fulfillment of the applicable requirements. If the Governor declares a disaster due to a public health emergency under Section 7 of the Illinois Emergency Management Agency Act, Illinois educator preparation providers shall be exempt from the "C-" or higher provision when entitling candidates for licensure if the candidates are already enrolled in an educator preparation course.

a) Content-specific endorsements (e.g., science – biology, social science – economics) shall be required in conjunction with some endorsements, as shown in Appendix E. Except in the case of world language, a licensee shall be authorized to teach all the subjects encompassed by a particular endorsement, regardless of the content-specific endorsement or endorsements received in conjunction with that endorsement. However, a licensee may not teach honors courses, as these are defined by the employing district, or Advanced Placement courses in a subject for which the licensee does not hold the content-specific endorsement. For example, a secondary science teacher with a content-specific endorsement for science – biology may not teach honors physics or chemistry unless that teacher holds a content-specific endorsement in science – physics or science – chemistry.

b) The provisions of subsection (a) do not apply to endorsements in a particular content area available prior to July 1, 2004 that were not exchanged for the endorsement currently available. Individuals holding these endorsements shall teach only the specific content encompassed by the endorsement issued. For instance, an individual who holds an endorsement in biology (rather than "sciences" with a content-area endorsement in science – biology) shall teach only biology and no other science content. An individual who wishes to teach other subjects in the same field or grade levels shall be required to apply for the relevant new endorsement in keeping with Section 21B-40 of the Code and meet the applicable requirements of this Section.

c) Endorsements at Time of Issuance of the Professional Educator License
1) Pursuant to Section 21B-25 of the Code, each PEL shall be specifically endorsed by the State Board of Education for each content area and grade-level range for which the holder of the license is qualified to teach and for which application has been made.

2) The PEL issued shall be endorsed in keeping with the program completed and the related content-area test passed by the candidate and for any other subject in which the individual:

   A) meets the requirements of subsection (d), (f), (g), (h), (i), (j) or (k);
   or

   B) has accumulated 18 semester hours of college credit demonstrably related to the subject area, either as a subset of an approved program at an Illinois institution or from one or more regionally accredited institutions of higher education and has passed the applicable content-area test.

d) Certain endorsements or content-specific endorsements listed in Appendix E have no corresponding content-area test (see Section 25.710). The provisions of this subsection (d) shall apply to the issuance of these endorsements and content-specific endorsements.

   1) For an applicant who is receiving an Illinois PEL endorsed for a teaching field, the institution that offered the approved program completed by the applicant shall indicate that the applicant has met the standards applicable to the endorsement or the particular content-specific endorsement, except that the requirements of subsection (h) shall apply to the issuance of endorsements in safety and driver education.

   2) An applicant prepared out of state, or an applicant who is already licensed in Illinois and is seeking to add a new endorsement or a content-specific endorsement in one of these subjects, other than an endorsement in safety and driver education, shall present evidence of completion of 18 semester hours of coursework (subject to further limitations as set forth in this Section) in the area covered by the endorsement or content-specific endorsement sought.

Each program that is offered by a recognized institution must also be individually approved by the State Superintendent in consultation with SEPLB. Electronic transmission of written materials pursuant to this Subpart C is required.

a) In order to be considered for recognition, a degree-granting institution of higher education shall:

1) be regionally accredited;

2) be approved by the Illinois Board of Higher Education to operate as a postsecondary degree-granting institution under the provisions of the Private College Act [110 ILCS 1005] and the Academic Degree Act [110 ILCS 1010] or, if the out-of-state institution is not required to seek authorization to operate from the Illinois Board of Higher Education, be approved to offer educator preparation programs by the state that granted it operating authority; and

3) sponsor a course of study leading to a license issued under Article 21B of the Code and this Part.

b) In order to be considered for recognition, an eligible not-for-profit EPP shall conduct or propose to conduct at least one approved program that will prepare professional educators and leads to a license issued pursuant to Article 21B of the Code and this Part, and the not-for-profit EPP shall meet the definition of "institution" set forth in Section 25.110.

c) In the case of a not-for-profit entity, all advertising materials, candidate handbooks, catalogues, and candidate contracts shall display prominently the fact that the entity does not offer higher education credit and that there is no guarantee that the Illinois license or any endorsement affixed to that license earned by the candidate will be honored or accepted for exchange in another state.

d) The procedures set forth in this subsection (d) shall apply to initial recognition of an institution and the concurrent recognition of the EPP. The initial approval of the educator preparation programs within that institution shall follow the procedures set forth in Section 25.120.

1) An institution shall notify the State Board of its desire to initiate the initial recognition process by submitting a letter of intent to the State
Superintendent. Within 30 days after receipt of the notification, the State Superintendent shall respond to the institution, identifying the staff member who will be responsible for assisting the institution and inviting the institution to submit an institutional report to that individual.

2) The institution shall submit an institutional report to the State Superintendent, in the quantity and format specified by the State Superintendent, that includes:

A) evidence indicating that the institution meets the conditions described in subsection (a) or (b);

B) a written description that addresses each of the components set forth in this subsection (d)(2)(B):

i) identification of the EPP; its mission, purposes, or goals; its authority and responsibilities for professional education; and its coordination of the institution's various educator preparation programs;

reports of candidate performance at the time they exit the program.

3) State Board staff shall review the institutional report and, within 60 days, either:

   A) find the institutional report to be adequate and invite the institution to submit a proposal that meets the requirements of Section 25.120 for each of the programs the institution wishes to implement; or

   B) find the institutional report not to be adequate, at which time no further review of the institution shall occur unless the institution submits a revised institutional report addressing the deficiencies identified.

4) The State Superintendent may authorize the scheduling of an on-site review visit to the institution at the mutual convenience of the affected institution and State Board staff when the program proposal required under Section 25.120 is submitted and found adequate. If the program proposal is found not to be adequate, a site visit may be scheduled to determine if the deficiencies identified are such that it is unlikely the institution will be recognized.

   A) For visits conducted in Illinois, the institution will be required to provide housing (including a work room) for the personnel conducting the review visit; or

   B) For visits conducted out of state, the institution will be required to provide housing (including a work room), transportation, and meals for the personnel conducting the review visit.

If the team members are not employees of the State Board, a staff member of the State Board or designee (individual who State Board staff requests to serve as a reviewer who is trained to perform duties that could constitute a conflict of interest for State Board staff) shall accompany the team to ensure that applicable standards, procedures, rules, and statutes are addressed.

   f) The team may gather necessary information via an in-person visit or via virtual means. The review team shall prepare a draft report within 30 business days after
the conclusion of the review, and the institution shall have 30 business days to correct any factual errors. The team shall review the institution's suggested revisions and make appropriate changes. The review team shall provide the final report to the State Superintendent within 30 business days after receipt of the institution's factual corrections. The State Superintendent shall provide the final report to the institution within 10 business days after receiving it.

g) Within 30 business days after receipt of the final report, the institution shall submit to the State Superintendent either a letter stating agreement with the report's findings or, if not in agreement, a rebuttal to those findings.

1) The rebuttal must indicate the grounds for disagreement with one or more of the review team's findings and include documentation to support the institution's position.

2) All documentation must describe conditions that existed at the time of the review visit. (Changes made by the EPP after the review will not be considered.)

3) All documentation must relate directly to the standards, rules and procedures that applied at the time of the review.

h) No later than 30 days after receipt of the rebuttal, the review team shall submit to the State Superintendent a response to the institution's rebuttal. j) Actions following upon the recommendation of SEPLB to the State Superintendent shall be as described in Section 25.160.
k) After recognition of an institution and EPP, SEPLB shall review one or more proposed educator preparation programs as described in Section 25.120.

l) A recognized EPP shall obtain approval of at least one educator preparation program within three years after the date it gained initial recognition. EPPs that do not obtain approval of at least one educator preparation program shall no longer be considered recognized and must reapply for recognition.

m) As a final step prior to receiving recognition, an EPP must participate in an SBE-conducted training to orient it to policies, rules and procedures for licensure and entitlement in Illinois. All recognized EPPs shall enter each candidate for licensure into ELIS upon entry into the preparation program. Candidates shall be placed in a pre-completion status until recommended for licensure.

n) If all of an EPP's educator preparation programs are discontinued, the EPP shall no longer be considered recognized and must reapply for recognition.

b) If SEPLB determines, either after the EPP's appearance or in advance of the appearance, that the concerns raised were unfounded or that the issues have been remedied, SEPLB shall recommend to the State Superintendent that no further action is needed with regard to the matter, and the State Superintendent or designee shall notify the institution accordingly.

c) If the institution does not respond to or declines the invitation to appear before SEPLB, or if SEPLB concludes that the institution, after its appearance, has not satisfied the concerns raised, SEPLB shall recommend to the State Superintendent or designee that the EPP and one or more of its programs be placed on probation. For the purposes of this subsection, "probation" is the period of time in which no new candidates shall be enrolled in the EPP or any of its programs, regardless of whether an individual program has received "probation" status. The State Superintendent shall notify the institution of the probation status of the EPP and one or more of its programs.

1) An EPP and one or more of its programs placed on probation shall submit the applicable report required under subsection (c)(1)(A) or (c)(1)(B) (in a format to be specified by the State Superintendent) to the State Superintendent or designee, who shall forward the report to SEPLB for consideration. The required report shall be submitted within one year after the date on which the EPP was scheduled to appear before SEPLB pursuant to subsection (a). If no report is received within this year, then the approval of the program or recognition of the EPP and approval of all of its programs shall be revoked.
A) In the case of one or more individual programs being placed on probation, each program about which concerns have been identified shall submit to SEPLB a program report that details the areas of concern identified by SEPLB and procedures the program will take to remedy the concerns.

B) In the case of both an EPP and one or more of its programs being placed on probation, the EPP shall submit both the report requested in subsection (c)(1)(A) and a report that details the identified concerns and the solutions that have been put into place to remedy those concerns.

2) SEPLB, after considering the report submitted by the program or EPP and the actions the program or EPP has taken in response to the concerns identified, shall:

A) determine that the concerns have been remedied and recommend to the State Superintendent that the program or EPP and any of its programs for which concerns have been identified be removed from probation and that no further action is needed with regard to the matter, and the State Superintendent or designee shall notify the institution accordingly; or

B) determine that the concerns have been acted upon but have not been remedied and recommend to the State Superintendent that the probation period be extended for not more than an additional 12 months, beginning on the date on which SEPLB met to consider the applicable reports submitted under subsection (c), and:

i) Within the 12-month extension period, the program, or the EPP and any of its programs for which concerns have been identified, shall resubmit the program proposal required under Section 25.120 or a report (in the case of a program or EPP, respectively), and reappear before SEPLB;

ii) If, at the time that the program or EPP reappears before SEPLB or at the end of the 12-month extension period, the program or the EPP and any of its programs for which concerns have been identified have not sufficiently addressed the concerns, SEPLB shall recommend to the State Superintendent that approval of the program or recognition of the EPP and approval of all of its programs be revoked pursuant to subsection (c)(2)(C); and
iii) The State Superintendent shall notify the program or the EPP and each of its programs of any action taken pursuant to this subsection (c)(2)(B); or 

C) determine that the concerns have not been acted upon and that the program proposal or actions taken as identified in the report indicate that the standards are not being met or that the program or EPP may be failing otherwise to offer candidates any of the learning opportunities that are necessary to their preparation as professional educators and that these concerns cannot be remedied before the end of the 12-month extension period. In each case, SEPLB shall recommend to the State Superintendent that the State Board revoke approval of the program or recognition of the EPP and approval of all of its programs. The actions to be taken upon the recommendation of SEPLB to the State Superintendent shall be as described in Section 25.160. Discontinuation of a program pursuant to revocation of its approval or revocation of recognition, in the case of an EPP, shall be subject to the requirements of Section 25.165(b).

3) The State Superintendent may accept, modify, or reject any of the recommendations of SEPLB issued in accordance with this subsection (c). In cases in which the State Superintendent's modification or rejection results in an action that has negative consequences for the program or the EPP and one or more of its programs, then the actions to be taken shall be as described in Section 25.160.

Section 25.147 Approval of Programs for World Language

a) State reauthorization of programs for world language shall not be specific to individual languages. That is, an institution with an approved program in any language shall be considered as having approval for any combination of languages, subject to the provisions of this Section.

1) An institution with an approved world language program may add one or more languages to that program at the discretion of the EPP, provided that the institution shall notify the State Superintendent to this effect in writing no later than three months before instruction in that language is to begin, except when notification is required further in advance under subsection (a)(2).

2) An institution that intends to add one or more languages to its approved program for which no test is listed in Section 25.710 shall notify the State Superintendent no later than six months before instruction in that language is to begin, in order to allow time for the identification of an appropriate language proficiency test if needed.

3) An institution that intends to delete one or more languages from its approved foreign language program shall be subject to the requirements of Section 25.165(a).

4) An institution without an approved program in foreign language may apply for approval of a new program under Section 25.120. The application for approval shall indicate which languages the program will initially offer. After initial approval of the program, the institution may add or delete languages as provided in this Section.

b) Each world language program shall, as a requirement for program completion, require its candidates for licensure, other than candidates in Latin and Classical Greek, to complete the Oral Proficiency Interview described in "ACTFL Proficiency Guidelines 2012 – Speaking" (2012), published by the American Council on the Teaching of Foreign Languages (ACTFL), 1001 North Fairfax Street, Suite 200, Alexandria VA 22314 and posted at http://actflproficiencyguidelines2012.org/ (no later amendments to or editions of these standards are incorporated) and to attain a score at the "intermediate high" level. As an alternative to the ACTFL interview, a program may administer another measure of oral proficiency, provided that approval for that measure is first obtained from the State Board based on evidence that it permits identification of proficiency equivalent to the "intermediate high" level on the ACTFL interview.
c) Pursuant to the standards set forth in 23 Ill. Adm. Code 27.340 (World Language), each approved preparation program in world language shall lead to candidates' eligibility for a special K-12 endorsement on a PEL.

b) Within 10 days after receipt of written notification from State Board staff under subsection (a), an affected EPP may submit a notice of objection to the State Superintendent. This narrative and any supporting documentation shall be submitted to the State Superintendent no later than 30 days after the institution submits its notice of objection. The State Superintendent shall forward to the State Board for consideration at its next available meeting the recommendation made by SEPLB and the institution's narrative explanation of its objections and shall inform SEPLB that these materials have been submitted for the State Board's consideration. The State Board may accept, modify, or reverse a recommendation of SEPLB.

c) No more than 30 days after the State Board makes its decision, the State Superintendent shall notify the institution in writing of the State Board's action.

Section 25.165 Discontinuation of Programs

a) An EPP that intends to discontinue an approved program or cease offering preparation programs altogether shall so notify the State Superintendent no later than 30 days prior to taking that action, except that voluntary discontinuation of a program shall also be subject to the following additional requirements:

1) The institution shall assure the State Superintendent that all candidates currently enrolled in any program scheduled for discontinuation will have an opportunity to complete the program by providing a detailed teach-out plan in a format identified by the State Board.

2) The institution shall supply to the State Superintendent the names and Illinois Educator Identification Numbers (IEINs) of all candidates currently enrolled in any program scheduled for discontinuation.

b) When a program is revoked, the State Board may require the continued operation of the affected programs for three additional academic years to permit currently enrolled candidates either to complete the program or to seek enrollment in another institution for that purpose. However, if the State Board determines in consultation with SEPLB that the program is unable to offer candidates learning opportunities that contribute to their competence as professional educators, the Board shall require that the program cease operating at the end of the then-current semester. The institution shall supply to the State Superintendent the names, anticipated dates of completion, and IEINs of all candidates currently enrolled in any program whose approval is revoked. A recognized EPP that has had the reauthorization of one or more of its programs revoked may seek re-approval of the programs after three years by completing the process outlined in Section 25.120.

c) A program in which no candidates have been enrolled for a consecutive three-year period shall be considered to have been discontinued by the State Board. An institution desiring to resume offering the program shall be required to comply with the requirements for initial approval stated in Section 25.120.

Section 25.400 Registration of Licenses; Fees

Section 21B-40 of the Code requires the registration of an individual's educator license (i.e., PEL, educator license with stipulations, or substitute teaching license) and establishes the amount of the registration fee to be paid for each full or partial year in the license's validity period. An individual shall register the license immediately (i.e., before January 1 of the next fiscal year) after the date on which the license initially was issued and between April 1 and June 30 in the last year of each 5-year renewal cycle. (See Sections 21B-40(a)(4) and 21B-45(k) of the Code.) Registration fees and requirements applicable in specified situations shall be as set forth in this Section.

a) An individual shall pay a separate fee to register each license held (i.e., PEL, educator license with stipulations, or substitute teaching license) for the license's period of validity (i.e., the time period during which the license is valid). An individual who does not hold an educator license but who has an approval issued pursuant to this Part is not subject to the requirements of this Section.

b) An individual is required to register a license in each region where the individual teaches or in any county of the State, if the individual is not yet employed, but is required to pay a registration fee in only one region. Therefore, an individual who moves from one region to another after paying a registration fee for a particular period of time:

1) shall be required to register the license in the new region; but
2) shall not be required to pay any additional registration fee.

c) When a registration fee is paid, the amount due shall be the amount required to register the license for its entire period of validity.

d) Pursuant to Section 25.450, a licensee may reinstate the license if it has lapsed (i.e., become invalid for employment due to failure to register the license) by payment of all accumulated registration fees and either payment of the penalty or completion of the coursework required under Section 21B-45 of the Code. The amount due for each year in the renewal cycle shall be the fee that was in effect at that time, rather than the annual amount applicable at the time when the fees are paid.

e) The provisions of subsection (d) do not apply to individuals who are ineligible to register their licenses due to the renewal requirements set forth in Section 21B-45
of the Code and Subpart J not being met by September 1 of the year in which the license expired. A license subject to this subsection (e) shall be reinstated:

1) upon payment of all accumulated registration fees;

2) either payment of the penalty or completion of the coursework required under Section 21B-45 of the Code; and

3) completion of any outstanding professional development activities required for renewal.

f) The amount of the fee that was in effect for any given year shall remain in effect for that year, regardless of when the fee is paid.

g) In accordance with Section 21B-45(e)(5) of the Code, a licensee working in a position that does not require a professional teaching license or an educator license with stipulations or working in a position for less than 50 percent of full-time equivalency for any particular school year is considered to be exempt and shall be required to pay only the registration fee in order to renew and maintain the validity of the license.

h) In accordance with Section 21B-45(e)(6) of the Code, a licensee with a license in retired status shall not be required to pay registration fees until returning to a position that requires educator licensure. Upon returning to work in a position that requires the PEL, the licensee shall immediately pay a registration fee and complete renewal requirements for that year. (See Subpart J regarding renewal requirements.) The requirements of this subsection (h) do not apply to a licensee whose license is in retired status, who holds a PEL, and who works only as a substitute teacher for less than 50 percent of full-time equivalency for any particular school year.

i) An unregistered license is invalid after September 1 for employment and performance of services in an Illinois public or State-operated school or cooperative and a charter school.

j) The other provisions of this Section notwithstanding, no fee paid in connection with the registration of one or more licenses shall have the effect of extending the period of validity of any other license that is subject to additional renewal requirements that have not been met.

1) holds a professional educator license endorsed for teaching, school support personnel, or an administrative area; and

2) is unavailable for employment on that license due to military service, including service in any reserve capacity.

b) For any individual as described in subsection (a), the period of validity of any license held shall be tolled during the period of his or her unavailability.

1) The time remaining on any license held, and the time when the individual can continue to hold any type of license held, shall be the same when he or she becomes available for employment on the license as was the case when he or she became unavailable under this subsection (b).

2) An individual subject to this subsection (b) shall not owe a fee for any period of time when his or her license's validity is tolled pursuant to this subsection (b).

3) An individual subject to this subsection (b) shall give written notification to the appropriate regional superintendent of schools that he or she has been called to active military service and shall enclose a copy of the military order. Upon return from active duty, the individual shall provide written notification of his or her availability and shall enclose a copy of the release order. This information shall be used to establish the tolling period.

c) An active member of the U.S. Armed Forces or any reserved component of the U.S. Armed Forces or the National Guard of any state, commonwealth, or territory of the United States or District of Columbia, as well as a spouse of such an individual, who meets the requirements of Section 21B-20(2)(A) of the School Code [105 ILCS 5] may obtain a professional educator license by meeting the requirements of Section 25.25 of this Part.

(Source: Amended at 43 Ill. Reg. 14806, effective December 4, 2019)
Section 25.410 Reporting Requirements for Revoked or Suspended Licenses; License Application Denials

a) When a license is suspended or revoked in Illinois or an application for an Illinois educator license is denied, all other states and possessions of the United States shall be informed of this action through a report to the NASDTEC Educator Identification Clearinghouse maintained by the National Association of State Directors of Teacher Education and Certification.

b) The license of an individual who voluntarily surrenders that license shall be treated as a revoked license. (See Section 21B-45 of the School Code [105 ILCS 5].) An individual who voluntarily surrenders his or her professional educator license or educator license with stipulations also surrenders all of the endorsements on that license. (Also see Section 25.411 of this Part.)

b) A licensee shall not request removal of any endorsement from a professional educator license or an educator license with stipulations if he or she is subject to an ongoing investigation conducted by the State Board of Education or there is other evidence or allegations of misconduct.

c) Any licensee not subject to the provisions set forth in subsection (b) of this Section shall provide written notification to the State Board of Education, using a form provided for this purpose, of his or her intent to remove one or more endorsements. The notification shall include the licensee's full name as recorded in ELIS, his or her license number and the name of each credential to be removed. The notice shall be submitted to:

1) at least 10 years has passed since the endorsement was removed;

2) the licensee passes all tests required for the endorsement as set forth in Section 21B-30 of the School Code and Section 25.720 of this Part; and

As used in each of those Sections, a "comparable program" is one that leads to eligibility for service in the same specific capacity in the public schools of the state where the program was completed.

1) Each out-of-state applicant shall have passed each of the tests required for the PEL and the endorsement sought, as set forth in Section 21B-30 of the Code and Section 25.720.

B) for purposes of meeting both the requirements of Section 21B-30(f) of the Code and this subsection (a)(4), an applicant who provides evidence with an application of having at least one year of full-time teaching experience and having achieved a "proficient" or higher rating, or the equivalent, on the most recent performance evaluation shall not be required to pass the TPA.

b) An individual may receive additional endorsements on a PEL endorsed for teaching by meeting the applicable requirements of Sections 25.37 and 25.100.

c) A candidate whose credentials were earned at an institution outside the United States shall submit the documents prepared by the foreign institution to a service whose evaluations are accepted by the State Board pursuant to subsection (d) to
determine if the candidate has met the requirements of Section 21B-35(b) of the Code, including the coursework required under subsection (a)(2)(A).

1) After reviewing the documents submitted, the service shall provide to the State Superintendent a statement identifying the degree held by the individual and indicating whether or not the individual has been prepared as an educator. The service shall also provide a list of the courses completed, with the credits earned equated to semester hours.

2) The transcript provided by the service pursuant to subsection (c)(1) shall be reviewed to determine whether the individual qualifies for a PEL and the endorsements for which application was made; if so, the individual shall receive the license and the endorsements indicated by the coursework completed.

3) If the review of the individual's transcript indicates that the individual does not qualify for a PEL and the endorsements for which application was made, the individual shall receive a notification of the deficiencies for the license and the endorsement requested.

d) Evaluation services shall be approved to review foreign credentials for purposes of Illinois licensure if they demonstrate experience working on behalf of either the National Association of Foreign Student Affairs or the American Association of Collegiate Registrars and Admissions Officers. However, the State Board may discontinue acceptance of evaluations from any service based on evidence of material inconsistencies in reviews. The State Board shall maintain an up-to-date list of all organizations whose reviews are being accepted and shall make this list readily available.

Section 25.444 Illinois Teaching Excellence Program

The annual payments and incentives established under Section 21B-70 of the Code shall be subject to the requirements of this Section and shall be contingent upon the appropriation of sufficient funds (see subsection (a)). When permitted or required by the State Superintendent, documentation called for in this Section may be submitted via electronic means.

a) When the funding available in any fiscal year is inadequate to cover all the payments requested by "qualified educators", as defined in Section 21B-70(a) of the Code, payments shall be paid on a first-come, first-served basis, regardless of the type of payment being requested, but shall be subject to any limitations established for a particular payment type under Section 21B-70 of the Code. Therefore, although a qualified educator, as defined in Section 21B-70(a) of the Code, is someone who meets the requirements for a particular payment, not all qualifying educators in any given year will be assured of receiving the applicable payments.

b) A qualified educator shall qualify for a payment as called for in Section 21B-70(c)(1), (c)(2), (c)(3), or (d)(1) of the Code when that educator is employed by a school district or other public entity providing early childhood, elementary, or secondary education, including special education, as the individual originally assigned to a full-time position whose functions:

1) are specifically authorized by the grade levels and content-area endorsements on the PEL and include the provision of instruction to students; or

2) are specifically authorized by a school support personnel endorsement for school counselor on a PEL and include the provision of counseling services to students.

c) Qualification for Payments

1) A qualified educator shall qualify for one or more incentive payments under Section 21B-70(c)(5) of the Code for each year during which:

A) that educator is either:

i) employed by a school district or other public entity providing early childhood, elementary, or secondary education, including special education, in a full-time position whose functions meet the requirements of
subsection (b), as verified by the employer using a format specified by the State Superintendent; or

ii) retired (i.e., drawing an annuity from either the Teachers' Retirement System of the State of Illinois pursuant to Article 16 of the Illinois Pension Code [40 ILCS 5/Art. 16] or the Public School Teachers' Pension and Retirement Fund – Cities Over 500,000 Inhabitants pursuant to Article 17 of the Illinois Pension Code [40 ILCS 5/Art. 17]); and

B) the educator agrees, in writing, using a format prescribed by the State Superintendent of Education, to provide at least 30 hours of mentoring or National Board for Professional Teaching Standards (NBPTS) professional development or both during the school year to classroom teachers or school counselors as described in Section 21B-70(c)(5) of the Code. (Section 21B-70(c)(5) of the Code)

2) Funds may also be used to provide instructional leadership training for qualified educators interested in supporting implementation of the Illinois Learning Standards or teaching and learning priorities identified by the State Board.

d) Requirements for Professional Development and Assistance to NBPTS Candidates

1) To verify eligibility for the applicable incentive payment, a qualified educator who provides professional development to new or experienced teachers or school counselors under subsection (c) shall submit to the State Superintendent a written log of the assistance provided, using a format specified by the State Superintendent, demonstrating that the educator addressed one or more of the standards set forth in 23 Ill. Adm. Code 24 (Standards for All Illinois Teachers) as relevant to the classroom-based needs of the recipient teachers, or one or more of the standards set forth in 23 Ill. Adm. Code 23.110 (Standards for the School Counselor), as applicable. Each recipient of professional development shall be identified by name, shall be working in an Illinois public educational setting, and shall sign the log as verification of the dates and hours of service indicated.

2) To verify eligibility for the applicable incentive payment, a qualified educator who assists other Illinois educators in preparing for certification by the National Board for Professional Teaching Standards under
subsection (c) shall submit to the State Superintendent a written log of the assistance provided, using a format specified by the State Superintendent. This record shall identify the activities performed and verify that these activities addressed specific requirements candidates must meet for NBPTS certification.

e) Requirements for Mentoring or NBPTS Professional Development

1) Mentoring or professional development provided in accordance with subsection (c) shall be conducted either:

A) as part of and in conformance with a mentoring or professional development program formally established by a school district; or

B) under the terms of a written agreement among the mentor, the building administrator, mentor coordinator, or other responsible official of the school district employing one or more recipients, and those recipients, that describes the goals of the mentoring or professional development, the duration of the mentor's involvement, and the amount of time expected to be devoted to each recipient.

2) Mentoring or professional development may be provided to recipients either individually or in groups, provided that the mentor must address areas of practice relevant to the needs of each recipient.

3) An individual who provides mentoring or professional development under this Section shall notify the individuals employing district (if different from that of the recipients) to this effect and, to verify eligibility for the applicable incentive payment, shall submit to the State Superintendent a written log that:

A) meets the requirements of subsection (e)(1); and

B) discusses how the mentoring or professional development was related to the academic needs of the recipient teachers' students or the needs of the students served by the recipient counselors, as applicable.

f) Licensed teachers shall receive incentive payments only for providing mentoring and professional development to other teachers, and educator licensed school
counselors shall receive incentive payments only for providing mentoring and professional development to other school counselors.

**g) Instructional Leadership Training**

In any fiscal year in which money remains after funding the categories in subsections (a) through (c), the State Superintendent shall announce no later than June 1 the amount of funding that will be devoted to training for qualified educators. The announcement shall indicate the:

1) specific purposes, from among those specified in Section 21B-70 of the training to be conducted;

2) amount of any stipend awarded for participating in the training;

3) limitations on the qualified educators who may participate (e.g., school demographics, including student characteristics and achievement levels; school district location); and

Section 25.450 Lapsed Licenses

a) A lapsed license is a PEL or an educator license with stipulations endorsed for career and technical educator or chief school business official for which renewal requirements have not been completed by September 1 of the year in which it expired, or a PEL that has not been registered for a period of six or more months since the expiration of its last registration, or was not registered by January 1 of the fiscal year following its initial issuance. For purposes of this Section, the following licenses do not lapse:

1) A substitute teaching license issued under Section 21B-20(3) of the Code [105 ILCS 5].

2) An educator license with stipulations issued under Section 21B-20(2) of the Code endorsed in an area other than career and technical educator or chief school business official.

b) In accordance with Section 21B-45(a) of the Code, a lapsed license shall be reinstated if the individual pays any back fees, including all registration fees, that the individual owes and either:

1) pays a $500 penalty; or

2) provides evidence of completing nine semester hours of coursework from a regionally accredited institution of higher education in the content area that most aligns with one or more of the educator's endorsement areas (Section 21B-45(b) of the Code). For the purposes of this subsection (b)(2):

   A) coursework shall be earned with a grade of C- or higher;

   B) coursework may include content or methods classes for cross-categorical special education, reading, English learners (i.e., bilingual education, English as a Second Language, or English as a New Language); and

   C) the validity period for any coursework used for license reinstatement shall expire on September 1 immediately following the fifth full year after the date of the coursework's completion.
c) Licensees whose licenses lapsed on September 1 due to failure to complete renewal requirements must complete all outstanding professional development activities required for renewal.

d) The penalty referenced in subsection (b)(1) cannot be paid in advance of the individual's license lapsing. In other words, once the license expires due to failure to pay registration fees or complete license renewal requirements, the individual has the option of:

1) if the license expired due to failure to pay registration fees and the license has not yet lapsed:

   A) waiting until the license lapses on January 1 of the next fiscal year before paying the penalty or presenting evidence of completing the coursework required under subsection (b)(2); or

   B) paying all registration fees owed; or

2) if the license expired due to failure to complete renewal requirements and the license has not yet lapsed, completing the applicable renewal requirements or paying all registration fees owed.

Section 25.480 Supplemental Documentation and Review of Certain License Applications

This Section sets forth the requirements for supplemental documentation and other information that an applicant must submit when the applicant has provided an affirmative response or indicated noncompliance with any of the requirements set forth in Sections 25.485 through 25.491 or has knowingly misrepresented any qualifications to obtain a license pursuant to Section 21B-15 of the Code. An application for issuance, renewal, reinstatement, or registration of a license shall not be processed until all supplemental documentation has been received. References to "license" in this Section and any of Sections 25.485 through 25.491 shall be understood to mean "certificate" if the sanction affected (or the violation occurred when an individual held) a teaching, administrative, school service personnel or substitute teaching certificate previously issued by the State Board.

a) Personal Statement
When a personal statement is required to be submitted, the applicant shall provide the information required under this subsection (a). A personal statement shall not be afforded full weight by the committee reviewing the application and supplemental documentation if the statement fails to adequately address each of the requirements of this subsection (a) to the degree necessary to enable the review committee to make a determination of whether the applicant has been rehabilitated and should be licensed as a professional educator. Each personal statement shall:

1) be written in the applicant's own words (statements written by an attorney or someone other than the applicant shall be considered a letter of reference);

2) provide a detailed description of the conduct and circumstances that led to the knowing misrepresentation of the applicant's qualifications to obtain a license or a detailed description of the conduct and circumstances for the license sanction, or criminal conviction or the indicated report of child abuse or neglect (whichever is applicable);

3) provide evidence that the applicant has been rehabilitated, including an explanation of why the applicant believes the applicant is of good character, merits receipt of an educator license, and would be an asset to the field of professional educators; and

4) provide any other information that is requested by the State Board that is relevant to the agency's review and understanding of the reasons for the knowing misrepresentation of the applicant's qualifications to obtain a license, the license sanction, or the circumstances of the criminal
conviction or the indicated report of child abuse or neglect (whichever is applicable).

b) Character References
When character references are required, the applicant shall provide at least three letters that meet the requirements set forth in this subsection (b). A character reference shall not be afforded full weight by the committee reviewing the application and supplemental documentation if the reference fails to adequately address each of the requirements of this subsection (b) to the degree necessary to enable the review committee to make a determination of whether the applicant has been rehabilitated and should be licensed as a professional educator. Each character reference shall:

1) be written by a colleague of the applicant who is employed in an educational field or by a faculty member of the applicant's educator preparation program who has first-hand knowledge of or experience working with the applicant; if the applicant has no prior education-related experience, then an employer of the applicant may submit a character reference;

2) state that the purpose of the letter is to assist the applicant in obtaining an educator license and acknowledge the specific conduct and circumstances that led to the applicant's license sanction, or the conviction or a report of child abuse or neglect (whichever is applicable);

3) state the author's relationship (e.g., former instructor, employer, school colleague) with the applicant and the length of time the author has known the applicant;

4) explain in detail why the author believes that, in spite of the reason for the applicant's license sanction, or the conviction or a report of child abuse or neglect (whichever is applicable), the applicant has been rehabilitated and why the applicant would be an asset to the field of professional educators; and

5) be signed by the author and include the telephone number or email address to be used should the committee reviewing the character reference have questions or need additional information and, as applicable, be presented on the letterhead of the author's place of employment.

c) Application Review Process
1) The application and supplemental documentation shall be reviewed by a committee made up of staff from the State Board's licensure division. The committee may contact the applicant if additional information is needed. Upon conclusion of the committee's review, the committee shall notify the applicant of the agency's decision to deny or its intent to deny an application, by certified mail, return receipt requested mailed to the address shown on the application. A decision to issue the license will be recorded in ELIS and an electronic notification to that effect will be sent to the applicant.

2) If the agency intends to deny an application on character grounds pursuant to Section 21B-15 of the Code, the applicant shall be notified pursuant to subsection (c)(1) of this Section of the opportunity to request a credibility hearing. The applicant's request for a credibility hearing shall be submitted in writing to the agency no later than 10 days after the applicant's receipt of the agency's notification. Requests shall be sent to the Educator Licensure Division, 100 North First Street, S-306, Springfield, Illinois 62777.

A) Credibility hearings may be held via video conference or in-person and will not be held if the applicant has not submitted all required documentation at least 72 hours prior to the hearing. At this hearing, the applicant may present a statement or provide documentary evidence and present character witnesses who wish to make a statement on behalf of the applicant.

B) The applicant shall not be permitted to pose questions to the review committee. An applicant may be represented by counsel at this hearing, but the applicant's attorney will not be permitted to address or pose questions to the review committee.

C) No later than 30 days after the conclusion of the credibility hearing, the review committee shall issue to the applicant its decision to grant or deny the application. The decision of the review committee is a final decision and is reviewable pursuant to the Administrative Review Law [735 ILCS 5/Art. III], as provided in Section 21B-90 of the Code. A timely filed action for administrative review shall act as a stay of enforcement of the denial.

d) Eligibility to Reapply
An applicant who was denied an initial license or denied the renewal, registration or reinstatement of a license on the grounds that the applicant does not have good character or that the applicant knowingly misrepresented any qualifications to obtain a license pursuant to Section 21B-15 of the Code is ineligible to apply for any educator license or endorsement on any currently held license for a period of up to five calendar years from the date of the denial as determined by the review committee. If an application is submitted during the period of ineligibility, the application shall be denied and the application fee will not be refunded.

Section 25.485 Licensure of Persons with Prior Certificate or License Sanctions

A previous denial of licensure or another action against an individual's license may indicate that issuance, renewal, reinstatement, or registration of a license would also currently be inappropriate. Accordingly, each applicant for the issuance, renewal, reinstatement, or registration of an Illinois professional educator license, an educator license with stipulations, or substitute teaching license or for the addition of another credential (e.g., endorsement, approval, designation), including any credential issued under Subpart G, shall be required to indicate on the relevant form whether the applicant has ever had a professional license of any kind or teaching certificate or license denied, suspended, or revoked in Illinois or any other state, country or jurisdiction.

a) Each individual providing an affirmative response to this question shall be required to submit a copy of the notice issued by the responsible agency in the state where the action occurred that includes:

1) the date of the action;
2) the reasons for the action;
3) any penalties that were imposed; and
4) the ending date of each penalty, if applicable.

b) Subject to subsection (c) or (d), the State Superintendent shall review the information submitted pursuant to subsection (a) and shall determine whether issuance, renewal, reinstatement, or registration of a license or issuance of one or more additional credentials, as applicable, is appropriate in light of the circumstances surrounding the previous denial or suspension (including the applicant's age and the background of the applicant at the time of the action), any penalty that was imposed, and any evidence the applicant has provided concerning the applicant's good character that may mitigate the defect in the record. (Also see Section 25.480(b).)

c) The State Superintendent may review any other license held by the applicant to determine if, based on the severity of the misrepresentation, suspension or revocation is warranted.

d) An application shall not be evaluated from an individual whose previous denial occurred five or fewer years from the date of application.
e) An application from an individual who has had an educator license revoked either in Illinois or another state shall not be considered except that the provisions of this subsection shall not apply to any individual who voluntarily surrendered a license pursuant to Section 21B-45 of the Code, provided that the voluntary surrender was unrelated to misconduct.

f) An application from an individual whose license had been suspended shall not be evaluated for a period of time that is equal to the length of the suspension. The start date of this waiting period shall begin on the day following the date on which the suspension was lifted. The provisions of this subsection (f) shall not apply to:

1) any application to register or renew the license that was subject to the suspension, provided that the license was maintained as valid during the term of the suspension; and

2) any application to renew another license that was not subject to the suspension.

g) Submission of the application following the time period specified in subsection (e) or (f) is not a guarantee that the application will be approved and a license, endorsement, approval, or designation issued. An individual may appeal the decision to deny the application in accordance with procedures set forth in the Illinois Administrative Procedure Act [5 ILCS 100/Art. 10].

h) An individual shall not be entitled to a refund of the application fee in the event that the application is subsequently denied.

Section 25.486  Licensure of Persons Who Are Delinquent in the Payment of Child Support

Pursuant to Section 10-65 of the Illinois Administrative Procedure Act [5 ILCS 100/10-65], each State agency must require an applicant for a license to affirm on the application form, under penalty of perjury, that he or she is not more than 30 days delinquent in complying with a child support order. Accordingly, each applicant for the issuance, renewal, reinstatement or registration of an Illinois professional educator license, an educator license with stipulations or substitute teaching license or for the addition of another credential (e.g., endorsement, approval, designation), including any credential issued under Subpart G, shall be required to make this affirmation on the relevant form.

a) Each individual who fails to provide the affirmation required pursuant to this Section shall be ineligible to receive, register, reinstate or renew a license or to receive an additional credential until he or she provides to the State Superintendent of Education a statement from the Illinois Department of Healthcare and Family Services, issued on that agency's letterhead, indicating the status of the current child support arrangements.

b) The State Superintendent shall review the documentation provided by the applicant and determine whether issuance, renewal, reinstatement or registration of a license or issuance of one or more additional credentials, as applicable, is appropriate based on whether the individual has remedied the delinquency and made satisfactory arrangements to meet future obligations.

Section 25.487 Licensure of Persons with Illinois Tax Noncompliance

Pursuant to Section 21B-75(c) of the School Code [105 ILCS 5/21B-75(c)], the State Board may refuse to issue or may suspend the license of any person who fails to file a return or to pay the tax, penalty, or interest shown in a filed return or to pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied. Accordingly, each applicant for the issuance, renewal, reinstatement or registration of an Illinois professional educator license, an educator license with stipulations or substitute teaching license or for the addition of another credential (e.g., endorsement, approval, designation), including any credential issued under Subpart G of this Part, shall be required to indicate on the relevant form whether he or she has failed to comply with any of these requirements.

a) Each individual providing an affirmative response to this question shall be ineligible to receive, register, reinstate or renew a license or to receive an additional credential until he or she provides to the State Superintendent of Education either:

1) a tax clearance form issued by the Illinois Department of Revenue, indicating that the individual has remedied the failure; or

2) a statement from the Illinois Department of Revenue, issued on that agency's letterhead, that includes an explanation of the matter, including the relevant tax year, the amount owed, and the status of any disputed amount.

b) If an individual provides the tax clearance form referred to in subsection (a)(1), he or she shall be eligible for licensure, license registration, license renewal, license reinstatement or issuance of one or more additional credentials based on the tax matter at issue. If an individual provides a statement under subsection (a)(2), the State Superintendent shall review the documentation provided and determine whether issuance, renewal, reinstatement or registration of a license or issuance of one or more additional credentials, as applicable, is appropriate based on whether the individual has made arrangements to remedy the failure that are satisfactory to the Department of Revenue.

Section 25.488 Licensure of Persons Named in Reports of Child Abuse or Neglect

Pursuant to Section 21B-75(b) of the Code, the State Superintendent, in consultation with SEPLB, may initiate the suspension or revocation of a license for abuse or neglect of a child. Accordingly, each applicant for the issuance, registration, reinstatement, or renewal of an Illinois professional educator license, an educator license with stipulations, or substitute teaching license or for the addition of another credential (e.g., endorsement, approval, designation), including any credential issued under Subpart G, shall be required to indicate on the relevant form whether that applicant has ever received an indicated finding of neglect or abuse from a state agency responsible for child welfare in Illinois or any other state if the indicated finding in the report was not reversed on appeal.

a) Each individual providing an affirmative response to this question shall be ineligible to receive, register, reinstate, or renew a license or to receive an additional credential until the individual provides to the State Superintendent of Education:

1) an official copy of the report, including the child's age and sex, the report number assigned by the Department of Children and Family Services or comparable out-of-state agency, the date of the report, and the status of the report ("indicated", "unfounded", or other) with supporting documentation for the determination;

2) a personal statement that meets the requirements outlined in Section 25.480(a) that includes a detailed explanation of the individual's relationship to the child;

3) character references that meet the requirements outlined in Section 25.480(b), in which the authors clearly indicate that they have knowledge that the applicant has been found to be a perpetrator of child abuse or neglect but can also attest to the individual's good character, as defined in Section 21B-15 of the Code, and rehabilitation; and

4) an explanation of the status of any request to expunge, amend, or remove the report from the responsible state agency's records.

b) The State Superintendent shall review the documentation provided by the applicant pursuant to subsection (a) and determine whether issuance, renewal, reinstatement, or registration of a license or issuance of one or more additional credentials, as applicable, is appropriate based on whether the evidence of good character, as defined in Section 21B-15 of the Code, and rehabilitation provided is convincing when taken together with the gravity of the offense, the individual's
age and background at the time of the offense, and any criminal penalty that was imposed.

Section 25.490 Licensure of Persons Who Have Been Convicted of a Crime

Convictions related to certain offenses, other than those listed in Section 21B-80(c) of the School Code [105 ILCS 5] that result in automatic revocation or denial of licensure, may lead to denial of licensure if they demonstrate that the applicant is not of good character as required by Section 21B-15 of the School Code. Accordingly, each applicant for the issuance, registration, reinstatement or renewal of an Illinois professional educator license, educator license with stipulations or substitute teaching license or for the addition of another credential (e.g., endorsement, approval, designation), including any credential issued under Subpart G of this Part, shall be required to indicate on the relevant form whether he or she has ever been convicted of, or is subject to pending criminal charges for, a felony or any sex, narcotics or drug offense (whether felony or misdemeanor) in Illinois or any other state.

a) Each individual providing an affirmative response to this question shall be ineligible to receive, register, reinstate or renew a license or to receive an additional credential if the offense was one of those enumerated in Section 21B-80(c) of the School Code or, if the offense was not one of those enumerated, until he or she provides to the State Superintendent of Education:

1) a certified court record of the conviction, to include sentencing information;

2) evidence that at least one year has elapsed since the end of the sentence for the criminal offense, when "sentence" includes any period of supervision or probation that was imposed either alone or in combination with a period of incarceration or, for criminal offenses enumerated in Section 21B-80(b) of the School Code, evidence that at least seven years have elapsed;

3) a personal statement that meets the requirements outlined in Section 25.480(a); and

4) character references that meet the requirements outlined in Section 25.480(b) of this Part, in which the authors clearly indicate that they have knowledge of the conviction but can also attest to the individual's good character, as defined in Section 21B-15 of the School Code, and rehabilitation.

b) The State Superintendent shall review the information submitted pursuant to subsection (a) of this Section and determine whether licensure, license registration, license renewal, license reinstatement or issuance of one or more additional credentials, as applicable, is appropriate, based on whether the offense was one of those enumerated in Section 21B-80 of the School Code, except for
subsection (c) of that Section, and, if not, whether the evidence of good character, as defined in Section 21B-15 of the School Code, and rehabilitation provided is convincing when taken together with the gravity of the offense, the individual's age and background at the time of the offense, and any criminal penalty that was imposed.

Section 25.491 Licensure of Persons with Unsatisfactory Performance Evaluation Ratings

The State Superintendent may initiate an action under 23 Ill. Adm. Code 475 (Contested Cases and Other Formal Hearings) for revocation, suspension or required professional development against a license based on incompetency. Incompetency shall include, without limitation, two or more school terms of service for which the licensee has received an unsatisfactory rating on a performance evaluation conducted pursuant to Article 24A of the School Code [105 ILCS 5/Art. 24A] within a period of seven school terms of service. [105 ILCS 5/21B-75] A rating of unsatisfactory received following a period of remediation under Section 24A-5 of the School Code shall not count as a "performance evaluation rating" for the purposes of this Section.

a) Each applicant for the issuance, registration, reinstatement or renewal of an Illinois professional educator license issued pursuant to Article 21B of the School Code or for the addition of another credential (e.g., endorsement, approval, designation), including any credential issued under Subpart G of this Part, shall be required to indicate on the relevant form whether he or she has received two unsatisfactory performance evaluation ratings within seven school terms of service. Each applicant providing an affirmative response to this question shall be ineligible to receive, register, reinstate or renew a license or to receive an additional credential until he or she provides to the State Superintendent of Education a statement or documentation responding to each of the items listed in this subsection (a):

1) if known by the applicant, the date upon which the evaluator who provided the unsatisfactory performance evaluation rating successfully completed the prequalification process required under Section 24A-3 of the School Code [105 ILCS 5/24A-3], and any retraining, as applicable;

2) a copy of each remediation plan resulting from the unsatisfactory performance evaluation rating developed for the applicant;

3) an indication of whether the applicant successfully completed each remediation plan (i.e., received a subsequent performance evaluation rating of "proficient" or better);

4) the assignments the applicant held at the time each unsatisfactory performance evaluation rating was received; and

5) the date on which the applicant first began teaching, or in the case of an administrator, the date on which the applicant began his or her first assignment as an administrator, provided that the assignment subjects the
applicant to a performance evaluation conducted under Article 24A of the School Code.

b) If the State Superintendent becomes aware of a licensee's having received two unsatisfactory ratings at any time, the State Superintendent shall request from the educator the information required under subsection (a). The educator shall submit the information no later than three weeks after receiving the State Superintendent's request.

c) The State Superintendent shall consider the factors outlined in Section 21B-75(b) when determining whether to initiate action against one or more licenses based on incompetency and the recommended sanction for any action (Section 21B-75(b) of the School Code).

SUBPART H: CLINICAL EXPERIENCES

Section 25.610 Definitions

"Clinical Experiences" means that part of the professional preparation program enabling candidates preparing for licensure to acquire practical experience along with theoretical knowledge prior to entering into the full responsibilities of the role for which they are seeking licensure. At appropriate times the candidate shall demonstrate mastery of skills and techniques necessary for effective performance as a beginning practitioner and to enable evaluation by qualified personnel. The sequence of experiences brings the candidate into contact with a variety of populations and educational situations, including public school settings, encountered by practitioners.

"Clinical Practice" means student teaching or internships that provide candidates with an intensive and extensive culminating activity. Candidates are immersed in the learning community and are provided opportunities to develop and demonstrate competence in the professional roles for which they are preparing.

"Code" means the Illinois School Code [105 ILCS 5].

"College Supervisor" means a person employed by the institution of higher education to supervise candidates engaged in clinical experiences.

"Cooperating Teacher" means a person employed by a school district directly engaged in teaching students in a school and who is immediately responsible for a student engaged in clinical experiences.

"Internship" means a sustained, continuous, structured, and supervised experience lasting for a substantial period of time in which the candidate engages in performance of various aspects of the role and is gradually introduced to the full range of responsibilities associated with the role. Internships take place in all types of situations and settings. The use of internship is usually restricted to school support personnel and administrative programs.

"Practicum" means a type of clinical experience characterized by intensive work with students, in a group or one on one, which is carefully designed as part of an approved program; is supervised by a designated representative of the institution offering the program; and provides evidence that the candidate for the endorsement is able to apply the knowledge and skills relevant to that endorsement area.

"Student Teaching" means a form of internship required for approval of educator preparation programs calling for close and competent supervision. It entails preparation for full responsibility in an instructional setting. In the course of the experience, the candidate shall demonstrate mastery of skills and techniques including, but not limited to, planning, organization, evaluation, parent relations, and competence in subject matter areas. The experience is carried out under diligent and systematic supervision by college and local school personnel.

"Supervised Participation" means a wide range of experiences in which the candidate assists or engages in purposeful interaction with students and school personnel under the guidance and evaluation of qualified personnel. These experiences are carried out under continuous supervision by appropriate personnel who can appropriately modify the candidate's behavior.

Section 25.717 Test Equivalence

a) The State Board of Education will implement the following procedures to maintain uniformity in the difficulty level of each language proficiency test and each content-area test from test-to-test and from year-to-year. These procedures will conform to the accepted professional standards for test score comparability and equating promulgated by the National Council on Measurement in Education, the American Educational Research Association, and the American Psychological Association as presented in the "Standards for Educational and Psychological Testing" (2014) published by the American Educational Research Association, 1430 K Street, N.W., Suite 1200, Washington, D.C. 20005. No later amendments to these standards are incorporated by this subsection.

b) To achieve uniformity of test form difficulty, all test content advisory committees (see Section 25.715) shall be given identical orientation and training sessions throughout each step in test development and in standard setting. As a further measure to maintain test equivalence, when a new test form is produced, new items shall be matched to the items they are replacing in terms of average item difficulty statistics. Following the administration of a new test form, test scores for new test forms shall be made comparable in difficulty with the test scores on the previous test form by statistical test equating. The method to be used is set forth in Appendix A.

Section 25.720  Applicability of Testing Requirement and Scores

a) It is the individual's responsibility to take the appropriate tests. Upon request, the State Board of Education shall assist individuals in identifying appropriate tests.

b) Content-Area Tests

1) Each candidate seeking an Illinois professional educator license or endorsement on that license, whether a first license or endorsement or a subsequent license or endorsement, shall be required to pass a content-area test for each endorsement area for which there is an applicable test (see Section 21B-30(d) of the Code; also see Section 25.710). Further, Section 21B-30(d) of the Code requires passage of this test before a candidate begins student teaching or begins serving as a teacher of record. A person who has passed another state's or country's content test as a condition of educator certification or licensure in that state or country or admission to a teacher preparation program approved by that state or country shall not be required to take the Illinois content test before receiving the license or endorsement. (See Section 21B-35 of the Code.)

2) A person who has passed a test of language proficiency, authorized under Section 21B-30 of the Code, in order to qualify for an educator license with stipulations endorsed for transitional bilingual educator, and received that license shall not be required to retake that test in order to qualify for a bilingual education credential on another PEL received later. A person who has passed a test of language proficiency as a condition of admission to an Illinois preparation program also shall not be required to retake that test.

3) If the Governor declares a disaster due to a public health emergency under Section 7 of the Illinois Emergency Management Agency Act, individuals may begin student teaching or enter alternative educator preparation programs prior to passing the required content test. If the Governor rescinds a disaster declaration, or allows it to expire without replacement, this subsection (c)(3) shall remain in effect through the end of the calendar year (December 31) or the end of the fiscal year (June 30), whichever is later.

4) An individual who holds a State Seal of Biliteracy or who has obtained working fluency or higher on the Global Seal of Biliteracy shall be exempt
from the language proficiency test required for a bilingual education or world language endorsement in the same language.

c) Teacher Performance Assessment (edTPA)
Each candidate or out-of-state applicant completing an educator preparation program in a teaching field shall be required to pass the edTPA. The edTPA is a performance-based assessment designed to measure an educator's knowledge, skills, and preparedness.

1) Each recognized institution offering approved teacher preparation programs shall administer the edTPA during a candidate's student teaching experience.

2) A person who has successfully completed an evidence-based assessment of teacher effectiveness, as required under this subsection (c), at the time of initial certification or licensure in another state or country shall not be required to complete the edTPA. (See Section 21B-35 of the Code.)

3) In accordance with Section 21B-110 of the Code, the edTPA is waived during any time in which the Governor has declared a public health emergency under Section 7 of the Illinois Emergency Management Agency Act [20 ILCS 3305].

d) Subject to registration in accordance with the provisions of this Subpart I and the provisions of Section 25.755(g)(1), an individual who has taken a computer-based test may retake that test or specific subtest by computer after no fewer than 30 days.

a) Each institution shall use the content-area tests in the disciplines relevant to individuals' program completion as provided in Section 21B-30(d) of the Code.

b) An institution shall have the option of requiring passage of the TPA before awarding credit for student teaching. (Also see Section 25.720 for the requirements that apply.)

c) In using any test that forms part of the Illinois Licensure Testing System, institutions shall abide by all the rules governing the Testing System set forth in this Subpart, including, but not limited to, passing score, registration and fees; and shall make no requirement for the use or administration of this test beyond those set forth in this Subpart.

d) Institutions shall be responsible for informing their students of all requirements related to taking the tests and for providing students with any pertinent testing information in a timely manner. Neither the State Board of Education nor its testing contractor shall assume responsibility for any candidate's inability to progress through or complete an approved program because of failure to take one or more licensure tests in a timely manner.

Section 25.740 Accommodation of Persons with Special Needs

a) Persons with special needs include those with visual, physical, or other disabilities who would not be able to take the required tests under standard conditions. Each request for an accommodation shall be submitted on a form specified by the State Superintendent and made available on the web site of the testing contractor. Detailed requirements for requesting accommodations may be found on the contractor's website.

b) Each request for an accommodation must include a signed statement from a medical or human services professional licensed in this or any other state, such as, but not limited to, a physician, psychiatrist, or psychologist, describing the condition upon which an accommodation is being requested and specifying the exact nature of the needed accommodations. All requests and supporting documentation shall be uploaded electronically to the testing contractor's website. If required, requests may also be sent via mail. Additional documentation may be required per the requirements on the testing contractor's website. Requests for special accommodations will be honored if possible, subject to appropriate documentation provided by the examinee. An examinee needing accommodations is advised to register and submit a request well in advance of the applicable deadline in order to provide the greatest possible amount of time for the testing contractor to make the necessary arrangements. The testing contractor will notify each person requesting an accommodation as soon as the disposition of the request has been determined.

Section 25.750  Conditions of Testing

All candidates shall abide by the rules of test participation and other terms, conditions, and policies stated on the contractor's web site. These include, but are not limited to, the conditions set forth in this Section.

a) Identification and Admission
   On the day of the test, each person shall present one piece of current, government-issued identification, issued in the name in which the examinee registered and bearing a photograph and the examinee's signature.

b) On-Site Verification of Identity
   1) Each person taking a test shall be required to provide a digital fingerprint or palm print and a digital signature.
   2) Any person refusing to provide a thumbprint, other fingerprint, palm print, or signature in accordance with this subsection (b) shall be refused admission.
   3) Additional procedures that are designed to confirm examinees' identities or provide for test security, such as video recordings and repeated photographing of examinees, may be employed during test administration. Any person refusing to accede to these procedures shall be refused admission.

c) Late Arrival
   Persons arriving after their respective scheduled testing times will be refused admission.

d) No refund of fees will be made to any person refused admission under subsection (a), (b), or (c).

e) All persons admitted to a testing site shall abide by the instructions of the proctors administering the test in all matters relating to the test, including, but not limited to, seating arrangements and security measures. All persons shall authorize the proctors to serve as their agents in maintaining a secure test administration.

f) Each person beginning a test shall take every section of that test. The score of a person not completing all sections of a test will be reported as set forth in Sections 25.765 and 25.775, unless the person cancels that score as provided in Section 25.755.
g) No refunds will be made to any persons canceling their scores, nor will credit be given toward the fee for any future test.

h) Examinees may perform intermediate work that is necessary to enable them to answer test questions.

i) No person may:

1) bring written notes into a testing site or use written notes during a test;

2) make notes or copies of the contents of a test or remove any test materials from the testing site;

3) bring into the testing site or use unauthorized aids (see Section 25.710);

4) bring any personal item into a testing room or use any personal item during testing, unless permitted as part of an accommodation arranged pursuant to Section 25.740;

5) communicate in any way with other examinees or any person other than the proctors during a test session;

6) engage in behavior that disrupts or gives unfair advantage or disadvantage to other examinees;

7) fail to sign the documents on which answers are to be recorded; or

8) fail to follow the oral or written instructions or directions of the proctors dealing with the administration of the test.

j) An individual who wishes to object to any of the testing conditions or procedures set forth in this Section shall notify the testing contractor in writing of the basis for this objection no later than six weeks prior to the test administration date.

(Source: Amended at 45 Ill. Reg. 7269, effective June 3, 2021)
Section 25.755 Cancellation of Scores; Voiding of Scores

a) A person shall have the right to cancel his/her test scores. A cancellation request must be submitted in writing and received by the State Superintendent of Education within seven calendar days after the date of the test. However, a person's right to cancel his or her scores shall be superseded by the right of the State Superintendent of Education to void scores when subsection (b) or (c) applies.

b) A person's scores will be voided by the State Superintendent due to violation by the person of any of the conditions of testing enumerated in Section 25.750(g) and (k).

c) The State Superintendent will also void any affected test score in situations such as, but not limited to, the following:

1) any person taking the test violates any of the rules of test participation or terms, conditions, or policies stated in the current ILTS registration bulletin and website, having the purpose or effect of:

   A) giving any person taking the test an unfair advantage over other examinees;

   B) affecting, either positively or negatively, the performance of any person taking the test; or

   C) representing the performance of the named registered examinee by the performance of another person;

2) there is any testing irregularity that calls into question:

   A) the accuracy of the test scores as measures of the actual performances of the examinees; or

   B) the validity of the test scores as measures of the performances of the examinees in light of the conditions and circumstances under which the test was administered.

d) The State Superintendent shall notify the person of the action taken within six weeks after the test date. If any person's test materials reveal irregularities that warrant further investigation, the State Superintendent shall forward those materials, including the person's thumbprint, fingerprint, or palm print, as
applicable, to the appropriate law enforcement authority and shall notify the
affected person within ten days after taking that action. The State Superintendent
may require the person to provide a thumbprint or alternate print, if applicable, to
the appropriate law enforcement authority for comparison with that provided on
the personalized answer document and may void the test score earned by a person
who refuses to do so.

e) No refund will be given to any person whose score is cancelled or voided.

f) If a score is cancelled or voided for any reason, it will not be reported or entered
on any records. Cancellation of an individual's score shall not limit his or her
right to retake the test. Voiding of an individual's score shall not limit his or her
right to retake the test unless subsection (g) applies.

g) In some instances, scores are voided for reasons that render individuals ineligible
for licensure in Illinois. When an individual is found to have violated a condition
of testing with the intent of falsifying his or her identity or unfairly affecting his
or her performance in the current or a future test administration, the violation shall
be taken as evidence that the individual is not of good character as required by
Section 21B-15 of the School Code [105 ILCS 5].

1) In addition to voiding of the person's score on the test at which the
violation occurred, any other score achieved by the person during the same
test administration shall be voided, and the individual shall be ineligible
for any future licensure testing in Illinois.

2) A person who is subject to this subsection (g) shall be ineligible to receive
any educator license in Illinois.

3) If a person who is the subject to this subsection (g) already holds an
Illinois license, the State Superintendent may initiate the suspension or
revocation of that license as provided in Section 21B-75 of the School
Code.

4) For violations of subsection (g)(1) or (g)(2) occurring on or after March 1,
2017, a person subject to this subsection (g) may appeal those prohibitions
to the State Superintendent in writing. The person will be required to
submit supplemental documentation for review as set forth in Section
25.480 and shall be subject to the credibility hearing process in that
Section. A review conducted for this purpose shall make conclusions
whether the person shall be allowed to participate in future licensure
testing in Illinois and whether the person shall be eligible to receive an educator license in Illinois.

h) In the instances described in subsection (g), records of the individuals' test responses may be maintained by the testing contractor and by the State Board of Education for further investigation. In all other cases when scores are cancelled or voided, examinees' answer documents, including electronic media, will be destroyed and will be irretrievable.

(Source: Amended at 41 Ill. Reg. 8813, effective June 28, 2017)
Section 25.760 Passing Score

a) The passing raw score will be established for each test by the State Board, in consultation with SEPLB, based upon the professional judgments and recommendations of committees of Illinois educators about the acceptable, minimal level of performance for entry-level educators in Illinois classrooms.

b) The raw score for each test that forms part of the Illinois Licensure Testing System shall be transferred to a scaled score ranging from 100 to 300, with 240 established as the passing score. The passing raw score shall always be equal to a scaled score of 240. The following formula shall be used to transform raw scores to scaled scores, where MAX means the maximum raw score, CUT means the passing raw score, and X means the number of multiple choice items correctly answered or the number of holistic score points assigned to a constructed-response item or section, as applicable:

1) If X is greater than or equal to CUT, then the scaled score is $240 + 60 \left(\frac{X - \text{CUT}}{\text{MAX} - \text{CUT}}\right)$.

2) If X is less than CUT, then the scaled score is $100 + 140X/\text{CUT}$.

c) Scaled scores are rounded to the nearest integer except between 69 and 70 and between 239 and 240. To ensure that a score just below passing is not equated with a scaled score of 70 or 240, scaled scores between 69 and 70 will be considered 69, and scaled scores between 239 and 240 will be considered 239.

d) The requirements of this Section do not apply to scores used for determining passage of the TPA.

(Source: Amended at 45 Ill. Reg. 7269, effective June 3, 2021)
Section 25.765 Individual Test Score Reports

a) The State Board of Education will report each individual's test scores only to:

1) the individual candidate earning such scores;

2) the Illinois teacher education institutions and community colleges to which the candidate requested the scores be sent; and

3) any other institution, entity, or person authorized or required by law.

b) The score report released to each individual by the State Board of Education will:

1) indicate the test date and whether or not the person has passed the test; and

2) report the person's total score and the applicable subarea or subtest scores as scaled scores.

c) No test scores will be released via facsimile or over the telephone.

d) A person shall have the right to request additional copies of his or her score report, subject to payment of the required fee.

e) Beginning with the score reports issued after September 30, 2010, an Illinois institution with an approved educator preparation program will be able to access any of an examinee's test results (i.e., pass or fail) posted to the Educator Licensure Information System.

(Source: Amended at 37 Ill. Reg. 8379, effective June 12, 2013)
Section 25.770  Re-scoring

a) A person shall have the right to request re-scoring of the content-area test, provided the request is submitted in writing and received by the State Board within three months after the test administration date and is accompanied by payment of the applicable fee. A person shall also have the right to request re-scoring of a language proficiency test. However, no re-scoring service shall be available for the constructed-response portions of a language proficiency test; re-scoring on this test shall be limited to the multiple-choice items only.

b) In the case of any discrepancy discerned as a result of re-scoring, the State Board will correct its records and inform all parties to whom the test score was reported as to the person's score.

(Source: Amended at 45 Ill. Reg. 7269, effective June 3, 2021)
Section 25.775 Institution Test Score Reports

After each test administration, a report will be provided to each Illinois teacher preparation institution having one or more applicants taking the tests. This report will include aggregate information on pass/fail status, total scores, and subarea scores for all examinees who requested that their scores be sent to the institution, and for the State as a whole for each test.

(Source: Amended at 29 Ill. Reg. 15831, effective October 3, 2005)
Section 25.780 Fees

Each fee or refund required pursuant to this Section shall be established by the State Superintendent in consultation with the testing contractor and published in all written materials related to the testing program. The fee schedule shall be maintained in the offices of the State Board of Education and shall also be available upon request.

a) Each registration shall be accompanied by payment of a fee for each test to be taken. The registration fee for a test to be administered by the testing contractor outside the United States may be different from other registration fees.

b) Each request for re-scoring of a test shall be accompanied by payment of a fee, which shall be refunded if the original scoring is found to be in error.

c) Each request for an additional individual score report shall be accompanied by payment of a fee.

d) Each request for a change in the tests, test date, or test site for which the individual is scheduled, other than changes related to testing, shall be accompanied by payment of a fee.

e) Each request to add a test or tests to an individual's registration shall be accompanied by payment of a fee.

f) An individual who cancels a registration shall receive a partial refund for each test for which the individual had registered.

g) A fee of $20 shall be charged for any test payment that does not clear.

h) Only cashiers' checks and money orders will be accepted for payment of fees by mail; payment of fees associated with registration transactions made via the Internet shall be made by Visa or MasterCard only. Payment for testing shall be made via the Internet only and by VISA or MasterCard only.

Specific approvals, as defined in Section 25.805, are also subject to renewal requirements set forth in that Section. For the purposes of this Subpart J, "5-year renewal cycle" for any license or renewable approval shall include July 1 following the license's issuance through June 30 following five years of the license being issued and every five years thereafter, regardless of whether the total validity period exceeds five years. Any portion of an additional year beyond five years that is included in the 5-year renewal cycle shall not increase the amount of professional development that a licensee is required to complete. If a licensee earns more than the required number of professional development hours during a renewal cycle, the additional hours earned between April 1 and June 30 of the last year of the renewal cycle may be carried over and applied to the next renewal cycle. Illinois Administrators' Academy courses or hours earned in those courses may not be carried over.

b) Except as provided in Section 25.880 and in subsection (c) of this Section, renewal of an individual's license or approval requires the licensee's completion of professional development activities sufficient to satisfy the requirements of Section 21B-45 of the Code. Professional development hours used to fulfill minimum required hours for a renewal cycle shall be applied to one renewal cycle only. Each licensee shall:

1) enter the information required by Section 21B-45(e) of the Code and Section 25.805 of this Part into ELIS prior to renewal for each activity completed; and

Renewal of the license shall be contingent on the licensee's fulfillment of the applicable requirements of this Section.

1) For purposes of this subsection (e), coursework completed for license renewal purposes shall be considered "related to education" if it leads to a PEL or, for individuals holding a PEL, an endorsement on that license for the skill area of instruction, or if it relates to the field of an individual's current teaching assignment or any other field of teaching assignment.

2) The provisions of Sections 25.855 and 25.865 shall apply to the awarding of credit for activities offered by approved providers, provided that:

Section 25.830 Verification of Completed Activities; Renewal Process

a) A licensee shall enter any professional development credit earned prior to renewal. The licensee shall enter electronically into the ELIS the name, date, and location of the activity, the number of professional development hours earned, and the provider's name (Section 21B-45(e) of the Code), except that:

1) any Illinois Administrators' Academy course completed shall be entered by the provider rather than the licensee;

2) a licensee who holds both a PEL endorsed in school support personnel and one of the professional licenses listed under Section 25.805(b)(2) shall enter the license as an activity on the Professional Development page of ELIS and upload a copy of the valid license into ELIS; and

3) a licensee who completes applicable higher education coursework shall enter the coursework using the semester-to-hour conversion set forth in Section 25.805(c) and upload a copy of the transcript into ELIS.

b) Professional development completed after June 30 of the year in which the 5-year renewal cycle ends will be counted towards the renewal requirements for the licensee's next renewal cycle.

c) A licensee who fails to enter completed professional development into ELIS prior to renewal shall be unable to include credit for those activities among the clock hours needed to satisfy renewal requirements.

d) A licensee who fails to complete an Administrators' Academy course in a given fiscal year as required by Section 21B-45(e)(2) or (3) of the Code shall be required to complete two courses for each one missed. The licensee may complete these courses at any time during the remainder of the 5-year renewal cycle or prior to the reinstatement of a license that has lapsed pursuant to Section 25.450 of this Part.

e) Accumulation of the number of hours of professional development activities required under Section 21B-45(e) of the Code and entering them into ELIS shall not entitle the licensee to renewal of the license. Renewal of the licensee's license shall be determined by the State Superintendent.

f) In accordance with Section 21B-45(e)(5) and (e)(6) of the Code, licensees who are retired, working in positions that do not require a PEL, or working in positions that require a PEL for less than 50 percent of full-time equivalency in a school
year, are "exempt" and do not have to complete professional development activities. Prior to renewing the license, the licensee shall request that the ROE record that status in ELIS indicating the starting and ending date of the exemption and the reason the exemption was requested. ROEs must verify that the educator is exempt or retired prior to changing the educator's status. ROEs retain authority to require necessary documentation to make this determination. (See Section 25.880.)

g) A licensee who does not enter all professional development activities prior to September 1 of the year in which the 5-year renewal cycle ends may not be able to preserve the right of appeal regarding a recommendation for nonrenewal of the license.

Upon submission of the required audit documents, the license status shall be changed to "lapsed" and the educator may reinstate the license.

c) A lapsed license may be reinstated by meeting the requirements set forth in Section 21B-45(b) of the Code.

Section 25.835 Request for Extension

Section 21B-45(e)(9) of the Code allows a licensee who is unable to complete the required professional development by September 1 of the year in which the license has expired, due to professional development opportunities being unavailable, to request that the SEPLB extend the deadline for completing the outstanding professional development beyond August 31 of that year.

a) A written request for an extension shall be submitted to the State Superintendent no sooner than April 1 nor later than June 30 of the last year in the 5-year cycle. (See Section 21B-45(e)(9) of the Code.) The request shall indicate the:

1) licensee's name, type of license held (including license number), and endorsements placed on the license;

2) number of clock hours of professional development or Administrators' Academy courses, as applicable, needed to fulfill the requirements;

3) reason the licensee is requesting the extension, to include the efforts made to complete the required professional development before September 1 of the year in which the license would expire; and

4) licensee's plan for completing the outstanding professional development, to include a description of the professional development in which the licensee will participate and the timeline for its completion.

b) The request shall be presented to SEPLB at its next regularly scheduled meeting following receipt of the request. SEPLB shall approve a request when:

1) the preponderance of evidence indicates that failure to complete the professional development was beyond the control of the licensee;

2) the outstanding professional development does not exceed at least 20 percent of the total required for the 5-year renewal cycle or one Administrators' Academy course; and

3) the plan for completing the outstanding professional development will result in the completion of the activities by no later than August 31 of the year immediately subsequent to the year in which the license expired.
c) The licensee shall be notified whether the extension has been granted within 30 days after SEPLB's action, but in no case later than August 31 of the year in which the license will expire.

1) The license of a licensee for which an extension is approved shall remain valid during the extension period. (Section 21B-45(e)(9) of the Code) Failure of the licensee to complete the outstanding professional development within the timeline indicated in the approved extension request will result in the license lapsing and the inability of the licensee to register the license with the appropriate ROE.

2) The license of a licensee for which an extension is not granted shall lapse September 1 of the year in which the license expired and cannot be registered. (See Section 25.400(e).)

3) Any professional development completed during the extension period shall first be applied to the previous 5-year renewal cycle and may be credited to the subsequent 5-year renewal cycle only if it exceeds the amount of the outstanding professional development owed.

4) An unregistered license is invalid after September 1 for employment and performance of services in an Illinois public or State-operated school or cooperative and a charter school. (Section 21B-45(b) of the Code)

Section 25.840 Appeals to the State Educator Preparation and Licensure Board

a) A licensee may appeal the lapse of a license for failure to complete renewal requirements to SEPLB. The licensee shall submit a request for an appeal by certified mail, return receipt requested, no later than September 30 of the year the license lapsed. The appeal request shall be sent to the State Educator Preparation and Licensure Board, 100 North First Street, Springfield, Illinois 62777-0001.

b) Within 90 days after receipt of an appeal submitted pursuant to subsection (a), the SEPLB may hold an appeal hearing or make a recommendation based on a review of the record, as enumerated in Section 21B-45(m) of the Code. If a hearing is to be held, the Board shall notify the licensee of the date, time, and place of the hearing.

1) The licensee shall submit to SEPLB any additional information as SEPLB determines is necessary to decide the appeal.

2) If a hearing is held, SEPLB may request that the licensee appear before it. The licensee shall be given at least 10 days' notice of the date, time, and place of the hearing.

3) In verifying whether the licensee has met the renewal criteria set forth in Section 21B-45 of the Code and this Subpart J, SEPLB shall consider:

   A) the regional superintendent of education's rationale for recommending nonrenewal of the license, if applicable;

   B) any evidence submitted to the State Superintendent along with the individual's electronic statement of assurance for renewal provided in ELIS; and

   C) the State Superintendent's rationale for nonrenewal of the license. (See Section 21B-45(m)(2) of the Code.)

c) SEPLB shall notify the licensee of its decision regarding license renewal no later than 30 days after reaching a decision as set forth in Section 21B-45(m) of the Code. Upon receipt of notification of renewal, the licensee, using ELIS, shall pay the applicable registration fee. If the decision is not to renew the individual's license, the notification shall state the reasons for that decision.

d) An individual whose license is not renewed because of a failure to complete professional development in accordance with this Subpart J may reinstate the
license once that license has lapsed (i.e., September 1 of the year in which the license expired) if the individual has;

1) paid any accumulated registration fees, including registration fees owed;

2) either paid the penalty or completed the coursework required under Section 21B-45 of the Code with a grade of C- or higher; and

3) presented evidence of completing the balance of the professional development activities that were required for renewal of the license previously held.

e) SEPLB shall not renew any license if information provided on the application makes the holder subject to the requirements of any of Sections 25.485 through 25.491. Any disciplinary action taken against a licensee under any of those Sections shall be in accordance with the rules of the State Board for Contested Cases and Other Formal Hearings (23 Ill. Adm. Code 475). The decision of the State Board is a final administrative decision and shall be subject to administrative review as set forth in Section 21B-90 of the Code.

Section 25.865 Awarding of Credit for Activities with Providers

The State Board shall develop the requirements for standard forms that shall be used by approved providers. a) This form shall be provided to each participant who completes the activity, who shall maintain it as evidence of completion of the professional development activity. The providers shall maintain sign-in sheets for each activity.

b) The provider shall complete the standard form to indicate the title, time, date, location, nature of the event and clock hours of credit earned (i.e., in increments of a quarter hour). Section 25.880 "Valid and Exempt" Licenses; Proportionate Reduction; Part-Time Teaching

a) The requirements of this Subpart J regarding continuing professional development are subject to proportionate reduction with respect to periods of time during which a license is maintained as valid and exempt. The requirements of this Section apply to licensees who are working in a position that does not require educator licensure or working in a position for less than 50 percent of full-time equivalency for any particular year. These licensees are considered to be exempt and shall be required to pay only the registration fee in order to renew and maintain the validity of the license. (Section 21B-45(e)(5) of the Code)

1) Each licensee shall submit written verification to the ROE for any year that the licensee was not employed at least 50 percent full-time equivalency at an Illinois public or State-operated school or cooperative or charter school. Upon verification of the licensee's employment status, the ROE shall enter the period of exemption into ELIS and the license for that period of time will be determined to be valid and active or valid and exempt.

2) Periods of exemption shall be established in one semester increments.

3) Prior to license renewal, each licensee shall provide verification of the one semester periods of exemption that occurred during the 5-year renewal cycle. The proportionate reduction (i.e., 20 percent reduction for each year of exemption) that applies to the requirements for professional development activities will be reflected in ELIS.

4) Completion of professional development activities during a period of exemption shall not affect the proportionate reduction in the total number of clock hours required for a licensee, but may be credited toward the total amount of professional development needed in the 5-year renewal cycle.

b) A valid and exempt license may be immediately (i.e., within six months) reactivated upon the licensee becoming employed in a position that requires an educator license and performing services in an Illinois public or State-operated school or cooperative or charter school. The licensee shall record the "active" status in ELIS before the end of the 5-year renewal cycle.

c) Holders of valid and exempt PELs endorsed in an administrative field who are not employed in an Illinois public or State-operated school or cooperative or charter
school are not subject to the requirements of Section 21B-45 of the Code or this Subpart J.

Section 25.APPENDIX A Statistical Test Equating – Licensure Testing System

The Z-score formula set forth below will be used in all cases except where none of the scorable items on a test form has appeared on any previous test form. In such cases, the linear equating formula will be used.

Z-Score Formula

The following formula is used for z-score equating.

1. Define:
   \[ \bar{X} = \text{the mean raw score achieved on the new test form's scorable items} \]
   \[ s_x = \text{the standard deviation of X} \]
   \[ \bar{Y} = \text{the mean raw score achieved on the previous test form's scorable items} \]
   \[ s_y = \text{the standard deviation of Y} \]
   \[ X_i = \text{a given raw score on the new test form} \]
   \[ Y_i = \text{the raw score equivalent to } X_i \text{ expressed in the raw score metric of form Y} \]

2. Set \( z_x = z_y \)
   \[ \frac{X_i - \bar{X}}{s_x} = \frac{Y_i - \bar{Y}}{s_y} \]

3. In order to find the equivalent passing score on the new form, solve for \( X_i \), where \( Y_i = \text{the passing score on the previous form rounded to one decimal place} \).
   \[ X_i = \bar{X} + \left( s_x / s_y \right) \left( Y_i - \bar{Y} \right) \]

The linear equating formula is as follows.

1. Define:
   \[ \bar{X} = \text{mean total test score on a new test form} \]
2. Compute estimated descriptive statistics for the total group (i.e., candidates from new and previous test form administrations).

\[
\begin{align*}
\bar{U}_t &= \left( \frac{\bar{U}_x + \bar{U}_y}{2} \right) \\
\bar{X}_t &= \bar{X} + b_{xu}(\bar{U}_x - \bar{U}_y) \\
\bar{Y}_t &= \bar{Y} + b_{yu}(\bar{U}_x - \bar{U}_y) \\
\end{align*}
\]

where \( n = \) the smaller of \( n_x \) or \( n_y \)

\[
\begin{align*}
b_{xu} &= \frac{s_{xu}}{s_{u_x}^2} \\
b_{yu} &= \frac{s_{yu}}{s_{u_y}^2} \\
\end{align*}
\]

3. In order to find the equivalent passing score on the new form, solve for \( X_i \), where \( Y_i = \) the passing score on the previous form rounded to one decimal place.

\[
X_i = \bar{X}_t + \left( \frac{s_{xu}}{s_{y_i}} \right)(Y_i - \bar{Y}_t)
\]

Section 25.100 explains the endorsements issued on the professional educator license and the availability of any content-specific endorsements (previously called "designations"). The relevant provisions of Section 25.100(d) shall apply in cases in which no test is available (see Section 25.710). Any individual holding only an endorsement available prior to July 1, 2004 that was not exchanged for an endorsement available after that date, and, as applicable, content-area endorsement, is limited to teaching only the content encompassed by the endorsement issued prior to July 1, 2004.
