Classroom Age span (the difference between the oldest and youngest student in the class) _____ years, _____ months

23 Illinois Administrative Code 226.720

The age range of students within a special education grouping shall not exceed four years at the elementary level and six years at the secondary level. Early childhood classes and services shall serve only children from three through five years of age.

¹ A paraprofessional is required for any classroom with more than five (5) students. Assigned individual aides do not fulfill the classroom paraprofessional requirement.

² Complete if submitting more than one roster for the same teacher.

³ Place a check in this box if the student's IEP indicates that an individual aide is required.

⁴ Provide the name of the individual aide assigned to that student.
