- Inform parents and students about the program by posting required information on the district's website, if the school maintains a website, and in the student handbook
- Utilize one or more of the allowed methods in Parts 1.442 (a) and (b) to evaluate students' qualifications for the State Seal of Biliteracy
- Schools may also choose to award the State Commendation toward Biliteracy to students who qualify following the methods in Part 1.442(c)(1) and (2)
- Maintain appropriate records in order to identify students who have earned the State Seal of Biliteracy and, if awarded, the State Commendation toward Biliteracy
- Make the appropriate designations on the diploma and transcript of each student who earns the award, and
- Submit an annual report to ISBE no later than 30 days after the end of the school year

If your school intends to participate in 2019-2020, please check (✓) one or both of the options and provide the following information:
